MEETING: August 24, 2004
ACTION DATE: August 24, 2004

ACTION REQUESTED BY THE SUPERINTENDENT:

KEY POINTS:

1. The School Board member from the Hartwood District requests that the attendance zone for Margaret Brent Elementary School be adjusted.

2. The proposed adjustment would extend the current zone from #0-357 Cropp Rd., odd and even addresses, to #0-357 Cropp Rd., odd and even addresses, and #358-420, even addresses. Bucky's Way, a street that intersects with Cropp Rd. would then also become part of the attendance zone.

3. The attendance zone adjustment includes only three homes with elementary school aged children. Rezoning will not significantly impact enrollments at Margaret Brent Elementary.

4. The Transportation Department will be able to safely and efficiently adjust bus routes to accommodate the adjusted Margaret Brent Elementary attendance zone.

5. The residents affected by the attendance zone adjustment are amiable to rezoning.

SCHOOL BOARD GOAL: #4 – Address the impact of continuing population growth by developing plans to address expanding staff, facilities, transportation, attendance zones, and instruction.
