INVENTORY OF EQUIPMENT PURCHASED WITH STATE CTE EQUIPMENT FUNDS

An inventory of equipment purchased with career and technical education state equipment funds must be kept using this form for all purchased items. Record/Item Numbers can be referenced from the Approved Equipment *for Career and Technical Education Programs* listing document under the individual program service number headings. The itemized list and invoices for each program service showing the total amount claimed on the reimbursement request must be kept on file at the school division level for audit purposes. An inventory of all equipment items purchased with state funds must be maintained in accordance with the *Regulations Governing Career and Technical Education in Virginia* (8 VAC20-120).
