

**2010 SUMMER RESIDENTIAL GOVERNOR'S SCHOOLS (SRGS)  
GENERAL INFORMATION FOR STUDENTS AND PARENTS**

Welcome to the 2010 Summer Residential Governor's Schools application process. Any student who considers himself/herself eligible may complete an application. Please review the information carefully and speak with your school counselor or gifted education coordinator to ensure that you meet all division and state deadlines. Most of the deadlines established by the Virginia Department of Education (VDOE) are for school division submissions to the VDOE. School divisions typically set their deadlines several weeks or months prior to the VDOE deadline.

All parts of the application are available at the following Web site: [www.doe.virginia.gov/VDOE/Instruction/Govschools/SRGS](http://www.doe.virginia.gov/VDOE/Instruction/Govschools/SRGS)

The application process is a joint effort involving the student, the local school, the school division or the private school region, and the VDOE. This document contains general program information about the Summer Residential Governor's Schools. The application contains sections that the student must complete, and sections to be completed by teachers and the school counselor. **Teachers and school counselors may access the forms they need from the same Web site noted above.** There are three different applications; please select the appropriate application for the program you are interested in attending.

**There are three types of applications.  
Students must use the appropriate application for the corresponding program.**

**Academic Application** – complete this application for the Agriculture program, the Humanities program, and the Math, Science, and Technology program

**Mentorship Application** – complete this application for the Life Sciences and Medicine program and the NASA/NIA and Virginia Institute of Marine Science (VIMS) programs

**Visual and Performing Arts Application** – complete this application for all of the sub-categories of the Visual and Performing Arts program (dance, instrumental music, theatre, visual arts, and vocal music)

Students applying to the Visual and Performing Arts program must be selected by their school division or private school to attend the statewide adjudication process in January. Each application has information sheets that you should give to the two teachers/adults whom you are asking to provide recommendations and to the guidance office for other data.

**NOTE:** Students may only apply for one program at a time and may only attend one Summer Residential Governor's School OR Governor's Foreign Language Academy during their high school careers.

All applications must be printed and signed by the student and parent/legal guardian in order to be considered. It is important to note that incomplete applications will be returned to the gifted education coordinator and may not be considered. Please review the information in this guide carefully and consult your school counselor for deadlines.

**NOTE:** The Summer Residential Governor's Schools and the Governor's Foreign Language Academies have different applications and deadlines. The 2010 Governor's Foreign Language application is available at the following Web site: [www.doe.virginia.gov/VDOE/Instruction/Language/GAindex.html](http://www.doe.virginia.gov/VDOE/Instruction/Language/GAindex.html).

## PROGRAM DEADLINES

<b>SUGGESTED DEADLINES FOR STUDENTS, SCHOOL DIVISIONS, AND REGIONAL PRIVATE SCHOOL COMMITTEES</b>		
<b>DATE COMPLETED</b>	<b>DATE</b>	<b>ACTIVITY</b>
	October 2009	Applications made available by the VDOE via Internet. Suggested timeframe for all interested students to let the appropriate school or division contact know that he/she would like to apply for the Summer Governor's School Program.
	Early November 2009	Suggested time frame for Visual and Performing Arts students to let the appropriate school or division contact know that he/she would like to adjudicate on the specified date and location assigned to the school division or private school region. (Note: Some school divisions may administer their own adjudication process prior to submitting nominees for the state adjudication.)
	<b>November 30, 2009</b>	VDOE deadline for school divisions and private schools to submit nominees for statewide adjudication.
	Early January 2010	Suggested time frame for applications with teacher recommendations to be submitted to the appropriate school or division contact.
	Early February 2010	Suggested time frame for school division or private school regional selection committee to meet and review applications for nominee selection.
	<b>February 18, 2010</b>	VDOE established deadline for the school division/regional selection committee to mail applications and to send the nomination report form electronically through SSWS to the VDOE. Suggested time frame for divisions or private school regional committees to notify students that are NOT selected as nominees from the division or private school region.
	Mid-April 2010	Status notification to all submitted nominees to VDOE from school divisions and private school regions will be made available to each nominee and school division or private school gifted education coordinator.

## DEFINITION OF TERMS

Applicants	Students are classified as applicants throughout the school and division's selection process.
Nominees	Applicants are classified as nominees if their applications are selected by the division's selection committee to be submitted to the VDOE.
Gifted Education Coordinator	The designated contact person within the division who is the final authority within the division for problem solving with the VDOE.
Private Schools	Each private school submitting applications for the regional nomination process must be accredited by an appropriate accrediting organization. For further information, contact the Virginia Council for Private Education at <a href="http://www.vcpe.org">www.vcpe.org</a> .
Private School Regional Coordinator	The designated contact person within the Private School Region who is the final authority within the Region for problem solving with the VDOE.
Visual and Performing Arts Programs	The visual and performing arts programs available for students include dance, instrumental music, theatre, visual arts, and vocal music.

**NOTE:** The Department of Education does not intervene in deadline disputes between students and public school divisions or private schools.

## 2010 SUMMER RESIDENTIAL GOVERNOR'S SCHOOLS (SRGS) GENERAL INFORMATION FOR STUDENTS AND PARENTS

The Summer Residential Governor's Schools (SRGS) are month-long residential programs for tenth- and eleventh-grade gifted students in the Commonwealth of Virginia. The goal of each Governor's School is to provide those who attend opportunities for intellectual as well as social and emotional growth. In the company of dedicated, highly skilled professionals representing a variety of careers, selected students are encouraged to establish and fulfill their academic goals. The programs are housed on various campuses throughout the Commonwealth and are funded by the Commonwealth of Virginia, local school divisions, and private schools.

The SRGS academic and mentorship programs provide intellectually challenging and enriching experiences within a community of mutual support, respect, and dedication for a limited number of academically/intellectually gifted, current year tenth- and eleventh-grade high school students. Each college-based program provides a curriculum that integrates subject matter from various disciplines around its overall program theme. Each mentorship program provides challenging work experiences relevant to the mentorship site.

The SRGS for Visual and Performing Arts (VPA) provides artistically challenging and intellectually enriching experiences for a limited number of selected current year tenth- and eleventh-grade high school students. Such students must be identified as gifted in the visual or performing arts, or eligible for such identification. This learning occurs within a community of mutual support, respect, and dedication. The VPA program focuses on process, not upon finished works of art. The program does not offer individual conservatory-style training; instead, the program exposes students, working in small groups, to a wide variety of experiences in and across an art form.

Participants in the Summer Residential Governor's Schools academic or mentorship programs represent the diverse geographical areas of the Commonwealth; however, they will have in common their desire to explore academic pursuits at a level not available in the local school division, or private school. A typical academic or mentorship student schedule involves concentrated study in a particular field during the day. Activities may include seminars, special interest groups, independent study, and laboratory or field/site work. Students in both small group and individual activities will share their investigations and research with university faculty, Governor's School faculty/staff, and fellow students. Evening and weekend activities that are integral to the goals of the program include recreation, field trips, and special events such as concerts, lectures by visiting scholars, career information, dramatic productions, movies, student performances, and time for students to collect thoughts and participate in informal discussions. Similarly, a typical VPA student schedule involves concentrated study in the chosen art form during morning classes with afternoon classes devoted to interdisciplinary course work with students from the Governor's School for Humanities. Workshops, master classes, studio time, independent study, recreational activities, and field trips are scheduled as part of the VPA program. All selected participants will enroll in elective courses, seminars, and discussion groups at the site.

These programs are some of the most rewarding and enriching experiences available to high school students anywhere, since they require students to set their own learning goals and structure their own evaluation standards. One of the most valued acquisitions will be the friendships that Governor's School students develop and that will continue to evolve throughout their lifetime.

### **CRITERIA FOR ELIGIBILITY**

Schools shall provide an application to any student who meets the eligibility criteria listed below. Schools are strongly encouraged to review the selection criteria with students and to assist them in recognizing the competition they face at the state level. The following criteria shall be met for a student to be eligible for consideration for the Governor's School program as indicated:

- In the **academic programs and the mentorship programs**, a student must be identified as gifted. *The Regulations Governing Educational Services for Gifted Students* (8 VAC 20-40-50, Criteria for Screening and Identification) define the areas in which students may be identified as gifted. Submission of a nominee not meeting this first criterion constitutes identification and placement of that student from this point forward in the school division's gifted education program. If a student has been identified through the local division identification process, the score on the achievement or aptitude/ability measure used in the identification process may be used as one of the two required norm-referenced tests, regardless of the age at which the test was taken. The second required score must come from a norm-referenced achievement or aptitude/ability measure administered within the past three years.
- In the **visual and performing arts programs**, a student must be identified as gifted in an arts area (8 VAC 20-40-50, *Criteria for Screening and Identification*). If a school does not identify and serve students gifted in the arts, any student who meets the one of the criteria listed below for the VPA program may apply. In addition, each applicant must participate in the adjudication process in January as scheduled by VDOE.

A student may meet any one of the following criteria to be eligible for the VPA program:

- Rank at or above the 80th percentile on recent standardized test measures, or
  - Possess a C average for the last grade completed, or
  - Have a letter of commendation from a teacher who feels the student would qualify if not for an unusual situation or circumstance.
- A student shall be neither a current applicant to a 2010 Governor's Foreign Language Academy or other Summer Residential Governor's School, nor a former participant in these programs. A student may attend only one Foreign Language Academy or other Summer Residential Governor's School program during his or her high school career.
  - A student who participates in one of the 18 Academic-Year Governor's Schools or who has participated in one of the 20 Summer Regional Governor's Schools MAY apply.
  - A student shall be genuinely interested in attending the Governor's School and have the emotional maturity, stability, and self-discipline to live away from home for an extended period.
  - A student must be eligible for a free, public education in the Commonwealth of Virginia.

### **ACADEMIC PROGRAMS AND DATES**

- 
- Agriculture (AG) (4 weeks) June 27 – July 24, 2010  
Program begins at 2 p.m.
  - Humanities (HUM) (4 weeks) TBA  
Program begins at 1 p.m.
  - Life Sciences and Medicine (LSM) (4 weeks) July 4 – July 30, 2010  
Program begins at 12 p.m.
  - Mathematics, Science, and Technology (MST) (4 weeks) July 4 – July 31, 2010  
Program begins at 2 p.m.
  - NASA/NIA Mentorship (NASA/NIA) (4 weeks) June 27 – July 24, 2010  
Program begins at 3 p.m.
  - Virginia Institute of Marine Science Mentorship (VIMS) (4 weeks) June 27 – July 24, 2010  
Program begins at 3 p.m.
  - Visual and Performing Arts (VPA) (4 weeks) TBA  
Program begins at 1 p.m.

<b>Program</b>	<b>Location</b>	<b>Student Capacity</b>
Agriculture (AG)	Virginia Polytechnic Institute and State University	<b>100</b>
Humanities (HUM)	TBA	<b>200</b>
Life Sciences and Medicine (LSM)	Virginia Commonwealth University	<b>30</b>
Mathematics, Science, Technology (MST)	Lynchburg College	<b>160</b>
NASA/Langley Research Center and the National Institute of Aerospace Mentorship (NASA/NIA)	Christopher Newport University, with transportation to the mentorship site daily.	<b>12</b>
Virginia Institute of Marine Science Mentorship (VIMS)	Christopher Newport University, with transportation to the mentorship site daily.	<b>6</b>
Visual and Performing Arts (VPA)	TBA	<b>200</b>

**Students accepting mentorships, and those in LSM, must have access to a personal computer for use during Governor's School. School divisions will be asked to provide computers to students, as needed.**

## Students' Guide

	AG	HUM	LSM	MST	NASA/NIA	VIMS	VPA
Student Area(s) of Interest	Agribusiness	Anthropology	Biology	Anatomy and Physiology	Aeronautical Engineering	Coastal Law	Dance
	Biotechnology	Economics	Chemistry	Astronomy	Computer Science – Advanced	Fisheries Science	Instrumental Music
	Genetic Engineering	History	Computer Science Applications	Computer Programming	Electrical Engineering	Marine Resources Management	Theatre
	Environmental Science and Its Implications	Literature	Environmental Science	Geology	Materials Science	Oceanography	Visual Arts
	International Trade	Media	Forensics	Hydrology	Mechanical Engineering	Wetlands Ecology	Vocal Music
	Resource Management	Philosophy	Medicine	Hypermedia			
		Political Science	Physics	Physics			
		Psychology		Upper Level Mathematics			
		Sociology					

## PROGRAM DESCRIPTIONS

## ACADEMIC PROGRAMS

### Agriculture (AG)

The Governor's School for Agriculture offers an interdisciplinary curriculum of issues, topics, and challenges pertinent to the field of agriculture in its broadest sense. The program emphasizes the use of field experiences to investigate and research diverse topics related to environmental implications, resource management, biotechnology, political and economic implications of domestic and international trade, and the nature and structures of support systems within agribusiness. Students conduct field-based research using extensive contemporary data analysis and application methods. The program accepts a maximum of 100 students.

Students have access to a variety of innovative equipment, laboratories, and field sites at Virginia Tech and in the extended Blacksburg area. Resources from the agribusiness community are incorporated into field experiences and investigations. The primary goal of the agriculture program is to increase students' understanding and appreciation of the infrastructure and implications of Virginia's largest industry, its people, products, and opportunities. For more information, visit the Governor's School for Agriculture home page at [www.gsa.vt.edu](http://www.gsa.vt.edu) or AOL instant messenger GovSchoolforAg.

### Humanities (HUM)

The SRGS for Humanities program offers a broad-based, interdisciplinary presentation of courses related to the program's theme. Course work offers students opportunities to explore how modern society requires, encourages, and restricts individuals as they seek realization of their creative potential. Through the humanities program, students explore integrated disciplines in the arts, history, literature, philosophy, anthropology, political science, economics, sociology, psychology, and media.

Students obtain a better understanding of themselves, their future roles, and the effect of their voices on society and the world through reading, discussion, seminars, and lectures. The primary purpose of the Summer Residential Governor's School for Humanities is to provide an enriching, intellectual experience that stimulates gifted students to use their imaginations, and to think more creatively and productively. Writing activities, group projects, guest speakers, and field trips serve to integrate knowledge from many disciplines to a greater extent than is typically found in traditional educational programs.

Humanities applicants should have a solid background in American history and literature. Students selected for the program will choose a specific area of study related to the program theme. Approximately 200 students are accepted.

### Life Sciences and Medicine (LSM)

Capitalizing on the latest developments in the life sciences and medicine, the Summer Residential Governor's School for Life Sciences and Medicine has been designed to heighten understanding and appreciation of the relationship between research in life sciences and clinical practices and treatments in medicine. This residential program, housed on Virginia Commonwealth University's

academic campus, will accommodate 30 students. The format centers on the theme "Scale," as topics in the life sciences will be surveyed from the molecular to the systems levels. Students will be taught by high school science teachers, professors from the life sciences, and clinicians or researchers from a variety of laboratories and hospitals from VCU's medical college on the MCV campus.

The program emphasizes the multidisciplinary nature of life sciences. Students' extensive exposure to molecular biology, clinical biology, and environmental sciences over the first three weeks forms the foundation for completion of a group project in the fourth week. The curriculum consists of academically challenging lectures, laboratory, and field experiences provided by preeminent VCU clinical or research faculty, augmented with thought-provoking clinical and research experiences. A series of extracurricular events including volunteering at MCV hospitals, career and personal development seminars, and diverse cultural and social activities enhance the students' learning experiences.

The types of students best suited for this program are those with an interest in science (biology/life sciences, forensics, environmental science, chemistry, physics, and computer science) and curiosity about the effects science exerts on the fields of medicine. Students who remain undecided about a medical career are welcome as well as those who are confident that careers in medicine are part of their future. Through the planned academic and extracurricular experiences, students will experience the multitude of current and emerging career choices in the life sciences. Students with open minds about their career expectations often garner the most benefits from this program. This program is open to both current tenth- and eleventh-grade students. **Students must have access to a personal computer for use during this program. School divisions will be asked to provide laptops for their students, as needed.**

### **Mathematics, Science, and Technology (MST)**

The program for Mathematics, Science, and Technology at Lynchburg College provides students with broad interdisciplinary and multidisciplinary experiences designed to challenge students. The general goals of the school will be to encourage students to explore how mathematics, science, and technology affect their personal understanding of the world and society. Approximately 160 students will be accepted.

The program requires students to work in small groups, identifying research or field projects, and designing strategies to complete those projects. Results will be shared in a series of colloquia. Students will also work in small groups to study and discuss the philosophy and interplay among mathematics, science, technology, and society. These groups will identify important issues and prepare position papers addressing the issues that they identify. Each group will share its position in a "Symposium on Science and Society," which will be a major part of the Governor's School Teacher Recognition evening in the middle of the program.

### **Engineering – NASA/NIA**

The Virginia Governor's School hosted at NASA/Langley Research Center and the National Institute of Aerospace is a residential summer program designed to provide challenging, real-life work experiences for not more than 12 intellectually gifted high school students. Students will be working in concert with NASA mentors and staff from the National Institute of Aeronautics (NIA), which supports NASA's educational outreach.

NASA policies require that students working at its facilities be sixteen years of age by June 22, 2010, and be citizens of the United States in order to participate. There will be no exceptions to these policies. Students are selected from among qualified candidates by the NASA coordinator, the site director, and staff from NIA.

Each student is paired with a NASA/NIA scientist or engineer who serves as a mentor and is responsible for designing engineering and/or research experiences with the student. The NASA/NIA coordinator carefully selects NASA/NIA mentors on the basis of their willingness and ability to serve as positive role models, to develop engaging learning experiences, and to relate to gifted high school students. Mentors, who participate in orientation sessions in order to become acquainted with the dynamics and needs of gifted students, typically work in the following disciplines:

Aeronautical Engineering	Computer Science
Electrical Engineering	Materials Science
Mechanical Engineering	

Students work in labs and other facilities from 8:30 a.m. to 3:30 p.m. each day, five days each week, throughout the four-week program. The site and program coordinators arrange special tours and lectures on a weekly basis in order to acquaint students with as many of the research facilities and activities at NASA/Langley Research Center as possible.

Students' research endeavors and final presentations will be shared through a variety of electronic media throughout the NASA network with audiences drawn from the different research centers and their fellow Governor's School students. **Students must have access to a personal computer for use during this program. School divisions will be asked to provide laptops for their students, as needed.**

## Marine Science - VIMS

The Virginia Institute of Marine Science (VIMS), the Graduate School of Marine Science of the College of William and Mary, encompasses the study of biological, chemical, geological and physical oceanography, wetlands ecology, fisheries science, coastal law, marine resource management, and advisory services. Each summer, graduate students and professors conduct research and field studies in the estuaries and tidal basins, and of the Chesapeake Bay.

The VIMS program director and the site director select students to participate in the Governor's School for Marine Science; these students become members of one of the existing research teams, with the team leader serving as the student's mentor. At the conclusion of the four-week program, each student delivers an oral presentation about his/her research activities. The audience for these presentations consists of VIMS mentors and research staff, and other Governor's School students. In the past, the program has accepted not more than six intellectually gifted high school students.

Mentorship activities and responsibilities typically include a combination of the following: field and vessel work; collection, preparation and interpretation of data; library research; computer analysis; and laboratory studies. **Students must have access to a personal computer for use during this program. School divisions will be asked to provide laptops for their students, as needed.**

**NOTE:** Students nominated for the NASA/NIA or VIMS mentorships must be able to demonstrate that they have used a research design such as the one required for entries to the Virginia Junior Academy of Science (VJAS) or the International Science and Engineering (ISEF) competitions. Students **are not required to have participated in those competitions**; however, at least one teacher recommendation must include evidence that the student understands and has used a comprehensive research design consistent with VJAS/ISEF standards. Consult the following Web sites for more information about VJAS and ISEF, their research, components, or opportunities: [www.vacadsci.org/vjas-1.htm](http://www.vacadsci.org/vjas-1.htm) or <http://sciserv.org/isef/about/index.asp>

## Visual and Performing Arts (VPA)

The VPA program includes classes, workshops, individual/small group activities, lectures, and independent study in a variety of subjects from the visual and performing arts. Students will have choices from among a variety of afternoon, interdisciplinary classes that focus on the integration of the arts and the humanities.

Students in the VPA program may apply for one area of study (Visual Art, Dance, Instrumental Music, Vocal Music, or Theatre). In each area, students in interdisciplinary teams will study the techniques, materials, media, language, and conventions of that form, related to the program's theme. The Governor's School is not a conservatory. All students participate in interdisciplinary courses designed to stimulate thinking on a number of topics that influence the arts. The focus of study will be the symbiotic relationship between art and society, and the societal and individual opportunities and responsibilities of the thinking artist. Outside reading and preparation for their courses is expected of all students. Their study will be facilitated through small group and ensemble work. Works in progress by faculty, guest artists, faculty, staff, and students are shared in order to enrich individual perceptions related to the arts.

Field trips, recreational activities, and sports activities, as well as free time, are built into the student's schedule. The Governor's Schools provide some of the most rewarding and enriching experiences available to high school students anywhere, since they require students to set their own learning goals and structure their own evaluation standards. One of the most valued acquisitions will be the friendships that Governor's School students develop and that will continue to evolve throughout time.

## STUDENT SELECTION PROCESS

Students undergo a rigorous selection process that begins in October with the application process. Although open to all tenth- and eleventh-grade students in the Commonwealth (including home-schooled, as well as out-of-state private school students whose parents reside in Virginia), each school division or private school region is limited to a specific number of nominees that may be sent forward for consideration. (Quotas for public and private school regions may be reviewed in the administrative guide available at the VDOE Web site [www.doe.virginia.gov/VDOE/Instruction/Govschools/SRGS](http://www.doe.virginia.gov/VDOE/Instruction/Govschools/SRGS).) Students may be recommended by a teacher or may pursue the application process themselves.

Between October and December, students must complete the appropriate application, which requires a student-written essay; two teacher recommendations including rating scales and written narratives; and the collection of test data from the students' cumulative records. The forms for the teacher and adult recommendations are specific; the criteria for each recommendation are given on the applications.

School divisions must submit names of individuals to be scheduled for statewide adjudication by November 30, 2009. Some divisions hold their own adjudication process prior to making their nominations to the VDOE.

By the end of January, the school division and private school regional committees meet to select the division nominees. Division and regional nominations are due to the VDOE in mid-February, with invitations extended to students offered in mid-April. Most programs operate during the month of July.

**Acceptance and attendance at Governor's School is a month-long commitment.** Careful consideration needs to be made of family needs and personal commitments prior to the submission of an application. Since spaces are highly competitive, **ONLY** students who can make a full commitment to the program will be accepted. **Leaves of absence are granted ONLY for family and/or medical emergencies.** Leaves of absence will be granted for the hospitalization, serious illness, or death of immediate family members, or the illness of the student.

**STANDARDS OF CONDUCT**

Students selected represent their school and school division or region. Each student acts as an ambassador of his/her area. Governor's School students are expected to display common courtesy and respect for fellow students at all times.

**Failure to comply with any of the following standards will result in immediate dismissal from the program:**

1. Students shall not possess or use alcohol or illegal drugs. (§ 4.1-305 and 18.2-248 Code of Virginia)
2. Students shall not smoke, use or possess any tobacco products. (§ 18.2-371.2 Code of Virginia)
3. Students shall not possess or use any kind of weapon.
4. Students shall not leave campus or designated areas at any time without permission.
5. Students shall not visit the residential areas of the opposite gender at any time, nor enter halls occupied by other groups.
6. Students shall not steal/borrow without the owner's permission.
7. Students shall not treat faculty, staff, presenters, students, or others on campus in a disrespectful manner.
8. Students shall not intentionally damage the property of others.
9. Students shall not commit any act of violence.
10. Students shall not bring a vehicle or ride in one unaccompanied by a staff member.

**Dress Guidelines**

To help ensure a respectful community of learners and an environment conducive to learning, the Governor's School establishes these guidelines for student dress:

- Clothing should be neat, comfortable, modest, and appropriate to the setting in which students will be working or studying.
- Students should avoid clothing that reveals midriffs, backs, or undergarments.
- Outdoor temperatures are usually warm so bring light, mostly casual clothing; however, the director will provide students with information about more formal activities.
- Air conditioning keeps academic spaces chilly, so warmer attire is recommended indoors.
- Shoes and shirts must be worn at all times.

**Residence Halls**

Roommate assignments are made very carefully to ensure that students meet as many fellow students as possible. Students will receive roommate contact information in June. Male and female students are housed in separate living spaces and visitation between rooms and halls is never permitted. Resident Advisors (RAs) live with students and are available at all times. Each program handbook will provide more specific information regarding the standards of conduct.

**What to Bring**

In addition to clothing, students are encouraged to bring the following items:

Alarm clock	Iron	Radio, camera
Bathrobe, shower shoes, towels and washcloths	Laundry products and clothes hangers	Quarters for laundry
Bedding for a twin bed	Paper, pens, pencils	Swimsuit
Extension cords	Personal hygiene items	Umbrella

The director at each Governor's School will provide a more specific list to students prior to the opening of each program.

**What NOT to Bring**

Student shall not bring the following items:

Alcoholic beverages	Computers – unless specifically required for the program	Television or DVD player
Bicycle, roller blades, or skateboards	Drugs – other than prescribed medication	Tobacco products
Candles or incense	Expensive jewelry or stereo equipment	Telephone, pager, or wireless phone
Car	Pets	Weapons, "look alikes" for theatre, or laser pointers

The director at each Governor's School will provide a more specific list to students prior to the opening of each program.

## **Visitation**

With the understanding that one of the purposes of the school is to achieve a cohesive, self-contained environment in which students can study and come to know one another with a minimum of external distractions, family visits are limited to Parent Day. Non-family visitors may come on campus only with the family during that day.

At any time during the session, packages for students may be dropped off between the hours of 8:30 a.m. and 10:30 p.m. at the Governor's School office. A member of the staff will deliver the package to the student as soon as possible.

## **Wireless Phone Policy**

Each Governor's School seeks to promote community among its members, helping students discover the persons they are, not just the persons they are expected to be. This means fostering an environment with limited distractions. Over the past years, the administration and faculty have found that students appreciate the ability to concentrate on new relationships within the community and leave behind, if only for a brief time, the demands and interruptions that everyday life imposes. The administration, faculty, and staff of those larger programs have found that wireless phones impede the fundamental goals of the Governor's School experience. To that end, students who accept invitations to attend those programs are expected to respect our community formation process by leaving wireless phones at home. Policies of other Governor's Schools directors will be communicated with students' initial information packets. The Virginia Department of Education supports the director's decision whether or not to allow students to bring wireless phones to their specific programs.

## **FREQUENTLY ASKED QUESTIONS**

---

### **What are the academic/artistic and social expectations for students?**

Participants need to understand before they arrive that the primary purpose of the Governor's School is to offer them a challenging and enriching artistic/academic and social program. Each program will include clear expectations for students' homework assignments, papers, projects, and/or "work in progress" demonstrations. The majority of the student's day is structured with morning and afternoon classes, explorations, and evening events. Students are expected to take responsibility for their own learning by attending classes, completing assignments, participating in group study and practice, and being well prepared for study each day. This program expects students to be physically as well as mentally motivated to participate fully in both artistic/academic and social activities. It is imperative that students assess their own mental and physical health, as well as their motives for attending the Governor's School, before applying for this program. Faculty and staff are employed as mentors, teachers, and student/resident advisors. The school maintains a very low student to teacher ratio. However, the program is not able to make a one-to-one assignment of student to staff member. For that reason, students should be in good or excellent health, and/or able to demonstrate necessary self-discipline, and if necessary, to self-medicate.

### **How is the program administered?**

The overall responsibility for the Summer Residential Governor's Schools rests with the Virginia Department of Education (VDOE). While the program is in session, the program and/or site director at each center has the responsibility for operating the specific program. The director's responsibility is to provide a challenging, academic program and to maintain an atmosphere conducive for participants to meet those challenges. The director possesses an understanding of gifted students and of programs for such high school students. All directors and staffs are dedicated to providing an educational opportunity for gifted students that is commensurate with the abilities and interests of those students and are eager to make students' experiences at Governor's School enjoyable and productive. Some of the faculty and staff are themselves former Governor's School participants.

### **What is the "typical" daily schedule?**

Each day is filled with diverse activities and classes; the schedules vary from day to day, as well as from discipline to discipline. A typical day begins with breakfast as early as 7:30 a.m. and concludes with curfew at 10:30 p.m. Evening and weekend activities include special programs such as concerts, lectures by visiting scholars, dramatic and musical productions, movies, and workshops.

### **Is there free time?**

A small portion of the daily schedule provides for free time. Students may prepare work, read, write letters, do laundry, etc. This time is limited, so students should be prepared to make the most of it.

### **Will I receive individual instruction in my art discipline?**

Such instruction is not provided. The Summer Residential Governor's School for Visual and Performing Arts is not a conservatory, and therefore does not emphasize individual instruction. Instruction is provided in ensemble or small-group formats.

### **What kinds of recreational and social events are planned?**

Many different recreational activities are provided in which students are expected to participate. Students will often have an opportunity to learn an activity that is new to them. Some events are planned for the enjoyment of the students and to assure a balance of activities. Dances, picnics, athletic events, hikes, canoeing, variety shows, etc., are examples of the social events. Informal, small-group discussions are often found in progress during free time in the lounges or on the lawns. Host sites have been selected based on their ability to provide a variety of recreational activities. RAs typically assist student athletes in their required training regimes.

However, different athletic and recreation facilities are available at each site. Student athletes are encouraged to contact the director to determine the kinds of training support that may be available.

### **Are there field trips?**

Depending on available funding, various field trips may be planned to augment the artistic, academic, and cultural program. A humanities class might visit a local government facility and an arts class might visit a museum or a specific gallery. Field trips may not be practical for all classes, but when possible, they are incorporated for the fulfillment of the mission of the individual program.

### **Are grades and credit granted?**

Students receive Certificates of Commendation at the close of each program. Reports on individual student participation and course descriptions may be sent to the high schools of those students who complete the program and participate in the closing ceremonies; not all programs provide such reports. Check with the director to determine if and when such reports will be sent to the students' high schools. Copies of those reports may be secured by contacting the student's high school guidance office in October following the student's participation in the program.

### **Who is eligible to attend these programs?**

The programs are structured to serve students who are highly capable, well motivated, and who desire a challenging and rigorous summer experience. Students who are tenth- or eleventh-grade students during school year 2009-2010 and whose parent/legal guardian resides in the Commonwealth of Virginia, and who are eligible for a free, public education in Virginia are eligible to apply. Applicants must be identified (or be eligible to be identified) as gifted, and their overall achievement in schoolwork must meet application criteria. See pages 3 and 4 of this document for additional criteria.

### **What is the application process?**

Students should complete the appropriate application for their area of interest. Students should contact their school counselor for the appropriate application. Information is also available at the Virginia Department of Education's (VDOE) Web site indicated on the first page of this document.

Instructors, school representatives, or peers may identify students as eligible to complete applications. Students may also identify themselves as eligible. Most students apply directly through their guidance counselor or the school's designated Summer Residential Governor's School coordinator. Some larger divisions hold an intermediate screening or adjudication to narrow the pool of applicants to the divisions' quotas. The school division or private school region then selects its nominees from that pool of interested and qualified applicants. The completed applications for the nominated students, in rank order, are then forwarded to the VDOE. Applications sent by students or parents directly to the VDOE will be returned immediately to the division/region gifted education coordinator. However, the Department is not responsible if such applications subsequently are not processed by the school division or the regional committee.

### **Are these programs open to home-schooled students?**

Home-schooled students must submit a completed application to the principal of the appropriate high school in their division of residence. These applications then become part of the division's application and screening process. The chief administrative officer of the school division in which they reside must nominate home-schooled students.

### **Are these programs open to Virginia students who attend schools in other states?**

Students who attend private schools outside Virginia but whose parent(s)/legal guardian(s) resides in Virginia should contact Donna Poland, specialist for Governor's Schools and Gifted Education, in the Office of Middle and High School Instruction at the VDOE at [Donna.Poland@doe.virginia.gov](mailto:Donna.Poland@doe.virginia.gov), or at 804-225-2884 for more information. It is imperative that these students make direct contact with the Department as soon as possible for consideration.

### **How will participants be selected?**

Public school division superintendents nominate students from each division. Students from accredited Virginia private schools will be nominated by a designated regional committee.

Final selection is made by the Department of Education and is based on the strength of the application, school division/private school region ranking, and needs of the program as indicated previously. No individual nominee is guaranteed acceptance. Each school division and private school region is guaranteed representation in one of the academic programs unless the division or region does not nominate a person for either the agriculture; humanities; or mathematics, science, and technology programs. No guaranteed placement is possible with the mentorship programs, since those one-to-one assignments are predicated on a match with the mentors available in the current summer.

### **When and how will students be notified of the selection?**

All nominated students at the state level will receive a letter regarding status mailed by the Department of Education by mid-April 2010. Status lists for all nominees will be sent to school divisions, regional coordinators, and heads of private schools in mid-April 2010, prior to their release to students.

**NOTE:** Each school division and private school is responsible for providing specific information in February 2010, to **students who apply but are not nominated for state-level consideration**. Those students must be provided written notice by the school division or private school that their applications were forwarded to the VDOE for further consideration.

### Where does one get additional information about the Governor's School program?

The gifted education coordinator in your school division, high school principals, heads of private schools, secondary school counselors, or the VDOE can provide details about the program. Contact information for the gifted education coordinators for each of the 132 school divisions may be accessed at the following Web site:

[www.doe.virginia.gov/VDOE/Instruction/Gifted/gecetable.pdf](http://www.doe.virginia.gov/VDOE/Instruction/Gifted/gecetable.pdf)

### What is the cost to participants?

The cost of tuition, room and board, academic/artistic field trips, and other academic/artistic activities planned for the program will be paid from state and local funds. The 2010 tuitions for the academic program are provided below. The school division that nominates a student stipulates that it will pay its share of the tuition. The local share is determined by the school division's current ability-to-pay composite index.

Private schools are responsible for the local share of the tuition cost for their nominated students and the individual private school must stipulate its financial responsibility on the tuition certification form. The local share for private schools is 50 percent of the tuition cost.

2010 Program Tuitions	Full Tuition Costs	Private School Portion of the Tuition Not to Exceed 50 Percent
Agriculture (AG)	\$2,000	\$1,000
Humanities (HUM)	\$1,742	\$ 871
Life Sciences and Medicine (LSM)	\$2,667	\$1,334
Mathematics, Science, and Technology (MST)	\$1,472	\$ 736
Mentorships in Engineering and Marine Science (NASA/NIA or VIMS)	\$2,947	\$1,474
Visual and Performing Arts (VPA)	\$1,832	\$ 916

Each student must provide his/her own spending money and transportation to and from the program. Program directors will provide students and parents with an estimate of spending money required for the four weeks. In the event a student cannot afford these expenses, the school division or private school is encouraged to assist the student with these expenses.

### Where will participants be housed?

Participants will be housed in dorm facilities at the respective host campuses. Meals will be provided in the dining halls of the universities. Participants in the NASA/NIA and VIMS mentorship programs are housed at Christopher Newport University and are transported daily to their study sites.

### Will recreational facilities be available to participants?

Yes. Supervised recreational activities will be available on a limited basis. All students will be expected to participate. Facilities differ across the host campuses. Students who need specific, continuous training activities or facilities should contact the program director or the Department to determine if those facilities or opportunities are available. Student athletes must be chaperoned during these activities and may not participate in training activities at local high schools.

### What other services will be provided for participants?

Professionally licensed guidance counselors, who live on-site in the larger programs, provide counseling and are members of the program's instructional staff. Medical services have been arranged through local services.

Security, which is a major concern with the Department of Education and the host site, is coordinated through the college/university security office. Other necessary services will be provided for participants. Accommodations are made for individuals with disabilities; please contact the Department for more information concerning those arrangements.

### Will participants be granted a leave of absence from the program?

Since time is limited and sequential activities are planned for each day of the session, any absence significantly compromises the student's experience at the Governor's School. Students are expected to arrive in time for the opening ceremonies and to stay through the closing ceremonies. During its session, the only leaves of absence that will be considered are for cases of family or medical emergencies as defined on page 8 of this document.

### How many students will the VPA program accommodate?

Visual Art: 40-45 students    Vocal Music: 25-30 students    Instrumental Music: 50-55 students  
Dance: 20-25 students    Theatre: 40-45 students

### What are the specific requirements for the adjudication process?

It is imperative that the completed application be returned to your secondary school counselor, contact person, or head of school by the dates indicated by the school division. Students must participate in the statewide adjudication in January 2010, to be eligible for nomination. Please contact your school counselor or school contact person to ensure that you are registered for the appropriate adjudication site. Only the division gifted education coordinator or the private school contact may register students for that adjudication no later than November 30, 2009. **Students may not register themselves for adjudication.** Pages 13 - 14 of this document contain specific adjudication requirements for each art discipline. Please read carefully the information for your art discipline. Pages 15 – 16 contain specific information on adjudication sites and dates.

**NOTE: Applicants** - Please honor the dates that are established for submission of your application by your school division or private school. Do not send applications directly to the Department of Education. **The Department does not override the decisions made by the school division or the private school regional committees.**

### HELPFUL HINTS

### FOR PARENTS AND STUDENTS

- ✓ Take the SAT, PSAT, PSSS, or ACT tests since these scores may be used in the application process.
- ✓ Have someone who is familiar with the terms in the scoring rubric read your speech/essay and give you feedback before it is turned in with the completed application.
- ✓ Limit your entries on the Experience/Activities/Honors page to what is requested. BE AS SPECIFIC AS POSSIBLE since the selection committees are not always cognizant of local and/or regional activities in each academic area.
- ✓ Please review the last page of the application, the academic scores page. It will indicate the points awarded for your activities, research, and awards; two teacher rating scales and narratives; essay; test scores; course difficulty; and unweighted grade point average. If you have questions regarding how those points are computed, please contact the school or division gifted education coordinator for further information.

The Virginia Department of Education does not discriminate on the basis of race, color, national origin, religion, sex, disability, or age in its programs and activities. The following position has been designated to handle inquiries regarding the Department's nondiscrimination policies: Superintendent of Public Instruction, Virginia Department of Education, P.O. Box 2120, Richmond, VA 23218-2120, (804) 225-2023.

For further information on Federal nondiscrimination regulations, contact the Office for Civil Rights at [OCR.DC@ed.gov](mailto:OCR.DC@ed.gov) or call 1(800) 421-3481.

You may also view [Executive Order 1 \(2006\)](http://www.governor.virginia.gov/initiatives/ExecutiveOrders/2006/EO_1.cfm), ([http://www.governor.virginia.gov/initiatives/ExecutiveOrders/2006/EO\\_1.cfm](http://www.governor.virginia.gov/initiatives/ExecutiveOrders/2006/EO_1.cfm)) which specifically prohibits discrimination on the basis of race, sex, color, national origin, religion, sexual orientation, age, political affiliation, or against otherwise qualified persons with disabilities. The policy permits appropriate employment preferences for veterans and specifically prohibits discrimination against veterans. You may obtain additional information at the Commonwealth of Virginia's [official Web site](http://www.virginia.gov/cmsportal2/) (<http://www.virginia.gov/cmsportal2/>) concerning this equal opportunity policy.

## **ADJUDICATION INFORMATION - VISUAL ART**

Applicants will read and be familiar with the program description for the 2010 Governor's School for Visual and Performing Arts.

1. Applicants will present a portfolio containing ten (10) pieces of original artwork.
  - Six two-dimensional artworks, including at least one work in three of the following: painting, printmaking, drawing, design, or collage.
  - Two three-dimensional artworks, demonstrating work with clay, plaster, metal, wood, paper, or mixed media.
  - Two additional artworks should be in media selected by the applicant and may be two dimensional or three dimensional.
2. Digitized or color slides (not photographic prints) of artwork may be presented in lieu of the original artwork if the work is oversized or difficult to transport. Adjudicators must provide their own projection equipment (e.g., slide projector, laptop and data projector); neither the adjudication director nor the adjudication site is responsible for providing this equipment for student use. A screen will be provided.
3. Applicants will be asked to create a drawing, working from a live model. Applicants should bring their own drawing board, drawing paper (11" x 14" or larger), and pencil.
4. Applicants will be asked to discuss and explain their art form and role in group learning. Applicants will be adjudicated on the following criteria:
  - Design (cohesiveness of composition)
  - Expression (communicative quality)
  - Originality (novel or unique solutions)
  - Fluency (number of ideas and concepts)
  - Flexibility (variety of work and ideas)
  - Elaboration (stretching or expanding imagery)

## **ADJUDICATION INFORMATION - DANCE**

Applicants will read and be familiar with the program description for the 2010 Governor's School for Visual and Performing Arts.

Applicants will be asked to prepare and perform one dance 1 - 1½ minutes maximum in length. The dance may be any form. The applicant must design the choreography, but coaching by teacher or instructor is permissible during preparation. The student determines accompaniment for the dance. Students will be required to bring their own cassette tape or CD. The sound should be clean and clear and should have a five-second leader. Students should wear professionally appropriate dance attire. Basic leotards, tights and other attire for active movement are suggested. Costumes are not recommended. Applicants will be asked questions with reference to their art form. Applicants will participate in a dance class incorporating ballet, improvisation, and modern (bare feet) followed by individual applicants performing their prepared dance piece. Applicants will be judged on the following criteria:

1. Technique (specific skills)
  - A. Alignment (the body)
  - B. Musicality/Rhythm
  - C. Finished Movement (follow-through)
  - D. Strength
  - E. Flexibility
  - F. Varied Movement Vocabulary
2. Stage Presence (prepared work)
  - A. Presentation (presenting oneself)
  - B. Carriage
  - C. Display of Confidence
  - D. Body Language
  - E. Facial Expression (before and after prepared work)
  - F. Dynamic (energy)
  - G. Attire
3. Performance of Movement
  - A. Interpretation of Movement
  - B. Connecting/Flow of Movement
  - C. Use of Technique
  - D. Execution (individual style, clarity through space [shape], time [rhythm], and effort [energy])
  - E. Musicality (relationship to accompaniment)
4. Interview responses to questions related to applicant's art form and role in group learning

## **ADJUDICATION INFORMATION - MUSIC**

Applicants will read and be familiar with the program description for the 2010 Governor's School for Visual and Performing Arts.

1. All music applicants will perform two (2) contrasting prepared selections (2-3 minutes each) and a brief sight-reading exercise. The use of any form of accompaniment for instrumental music will not be allowed. Vocalists must provide their own accompanists and should not perform unaccompanied. The use of taped accompaniment will not be allowed. Memorization of music will not be required. Applicant must furnish two (2) sets of music: one for adjudicators, one for applicant use during audition. The repertoire should be set at a medium level of difficulty or higher. Compositions for auditions will be selected by the applicant from the standard solo repertoire for his/her instrument or voice within the following guidelines:
  - Instrumentalists may select materials from the Virginia Band and Orchestra Directors Association's (VBODA) Manual Solo Listings in grades IV, V, and VI; however, selections are not limited to those on these lists. In addition, applicants will be required to perform three (3) scales selected by the judges from the twelve major and twelve minor scales (any form of minor will be acceptable). All scales should conform to the practical playing range of the applicant's instrument.
  - Percussionists will be required to present one of their two (2) prepared selections on a mallet instrument, to perform three (3) scales from the twelve major scales on a mallet percussion instrument, and to play snare drum rudiments. Large percussion instruments will be furnished ONLY upon request. The division gifted education coordinator or private school contact must notify the adjudication director of needed percussion instruments when the names of adjudicators are submitted on November 30, 2009.
  - Pianists and harpists should select two (2) pieces representative of two different style periods (Baroque, Classical, Romantic, and 20th Century). In addition, applicants will be required to perform three (3) scales selected by the judges from the twelve major and twelve minor scales (any form of minor will be acceptable). Pianists will perform scales hands together, four (4) octaves.
  - Vocalists should select material from the Art Song (standard recital literature), Opera, or standard "Broadway Show" repertoire. Applicants should select two (2) songs of contrasting style periods and moods. In addition, applicants will be required to perform a series of vocal exercises (including scales) provided by the judges. Sopranos and altos must indicate voice part I or II on the application where indicated.
2. Scales for instrumentalists and pianists will be requested by key name, not concert pitch, and should be played at the following tempo:
  - Wind Instruments  
MM e = 60 performed in eighth note patterns (slur up, tongue down)
  - String Instruments  
MM e = 60 eighth note patterns. Ascending: 2 slurred, 2 martelé; Descending: 4 slurred.
  - Piano  
MM e = 80, 4 octaves, parallel in sixteenth note patterns
  - Melodic Percussion  
MM e = 60, 2 octaves performed in eighth note patterns
3. Auditions are scheduled for ten (10) minutes.
4. Instrumentalists will be judged on technique, interpretation, tone, intonation, sight-reading, and scales.
5. Vocalists will be judged on technique, interpretation, tone, intonation, musical effect, sight-reading, and diction.
6. Applicants will be asked questions with reference to their art form and their role in group learning.

## **ADJUDICATION INFORMATION - THEATRE**

Applicants will read and be familiar with the Program Description for the 2010 Governor's School for Visual and Performing Arts.

1. Applicants for Governor's School will perform one memorized monologue\* approximately two minutes in length.
  - \* For these auditions, the term monologue is defined as "a solo passage from a play." Poetry that is not from a play, and other non dramatic literature, may not be used. Nor may the selection be taken from a book of monologues or from any unpublished work (including original material). Students must have read the entire play from which the monologue has been selected. Please avoid selections from period plays such as Shakespeare, Moliere, and Marlowe.
2. All applicants are required to participate in an improvisation with other performers in addition to their monologue. The adjudicators will set up these improvisations after applicants have finished their prepared materials, and they will ask applicants to make some adjustments and to answer some questions during this part of the audition.
3. The audition will be scheduled for ten (10) minutes.
4. Applicants will be adjudicated on the following:
  - A. Vocal Ability -- Did the performer demonstrate effective vocal control over variables, such as rate, pitch, force, and tone?
  - B. Physical Ability -- Did the performer demonstrate effective control of physical variables, such as gestures, movement, business, and non verbal behavior? Was the body well used?
  - C. Preparation for the Audition -- Did the performer select appropriate audition materials? Did the performer appear well rehearsed? Did the performer appear to have a thorough understanding of his/her character's objectives and functions in the play and of the style and mood of the dramatic literature being performed?

- D. Performance Decisions -- Did the performer choose, or create, good points of emphasis, personality attributes, performance rhythms, etc., to create a believable character? Was the performer a creative risk taker?
  - E. Overall Impression -- Did the performer demonstrate stage presence, confidence, spontaneity, and creativity?
5. Applicants are encouraged to select monologues portraying characters close to the applicant's own age. Performance will be done in comfortable, rehearsal clothes, not in costumes. Props and/or sets (other than a chair) will not be used. Applicants must do a vocal and physical warm-up on their own before auditioning.
  6. Applicants will be asked questions in reference to their art form and role in group learning.

### Adjudication Sites for Accredited Private School Applicants

Each accredited private school is entitled one set of five adjudicants (one visual art, dance, instrumental music, vocal music, and theatre adjudicant). Adjudicants must be registered by the private school designee by November 30, 2009 through the online submission process.

**Students may not register themselves for the statewide adjudication process.**
