Background Information: Article Nine, Section 2 of the Board of Education's bylaws states the following:

Advisory Committees. Advisory committees may be created by the Board for special purposes to include, but not be limited to, federal and state-mandated committees. An advisory committee shall be composed of persons who represent the views and interests of the general public and who are known to be qualified to perform their duties. Personnel of the Department of Education may be appointed to the committee, as members or as consultants. All appointments to an advisory committee shall be made by the Board upon the recommendations of the Superintendent of Public Instruction. . . .

Findings and recommendations of the Board of Education’s advisory committees are provided to the Board in a manner and at a time prescribed by the Board.

Summary of Major Elements: The Board of Education has six advisory committees, five of which have vacancies for the three-year term of July 2006 to June 2009. (The nomination process for the Student Advisory Committee is handled through a special procedure that will be conducted in the early fall. Therefore, nominations to the Student Advisory Committee are not being accepted at this time.)

Superintendent’s Memo Number 116, dated May 26, 2006, announced that the Board of Education is seeking nominees to fill the current advisory committee vacancies. The Superintendent’s Memo and public notices were distributed broadly to local divisions, statewide organizations, special interest groups, and other interested individuals. The deadline for submission was July 10, 2006.
