Background Information:

The recommendation for approval of the projects on Attachment A is in accordance with the *Code of Virginia*, Chapter 10, Section 22.1-146, which authorizes the Board of Education to make loans from the Literary Fund for the purpose of erecting, altering, or enlarging school buildings. Approval of an application constitutes the first step in a two-step process to secure a loan from the Literary Fund. The second step can occur only after Departmental receipt of final plans and specifications per Section 22.1-140 of the *Code of Virginia*, coupled with a written request to the Department for release of funds, with the latter request also requiring Board approval.

Summary of Major Elements

Attachment A reflects eight (8) applications that have been reviewed by the Department. These applications have met all of the Board requirements necessary to be approved for a Literary Fund loan.

Superintendent's Recommendation:

The Superintendent of Public Instruction recommends approval of eight (8) applications totaling \$45,475,000 (Attachment A).

Impact on Resources:

There will be no impact on the resources of the Literary Fund until a locality receives approval from the Board of Education for the release of funds, construction begins on the approved project, and a request for reimbursement is submitted and approved.

Timetable for Further Review/Action:

Recommendations similar to Attachment A will be presented to the Board on a quarterly basis as needed, if found in proper order after review by the Department.
