§ 22.1-94 Appropriations by county, city or town governing body for public schools

A governing body may make appropriations to a school board from the funds derived from local levies and from any other funds available, for operation, capital outlay and debt service in the public schools. Such appropriations shall be not less than the cost apportioned to the governing body for maintaining an educational program meeting the standards of quality for the several school divisions prescribed as provided by law. The amount appropriated by the governing body for public schools shall relate to its total only or to such major classifications prescribed by the Board of Education pursuant to § 22.1-115. The appropriations may be made on the same periodic basis as the governing body makes appropriations to other departments and agencies.

§ 22.1-97 Procedure if county, city or town fails to appropriate sufficient educational funds

Whenever the governing body of a county, city or town fails or refuses to appropriate funds sufficient to provide that portion of the cost apportioned to such county, city or town by law for maintaining an educational program meeting the standards of quality for the several school divisions prescribed as provided by law, the Board of Education shall notify the Attorney General of such failure or refusal in writing signed by the president of the Board. Upon receipt of such notification, it shall be the duty of the Attorney General to file in the circuit court for the county, city or town a petition for a writ of mandamus directing and requiring such governing body to make forthwith such appropriation as is required by law.

The petition shall be in the name of the Board of Education, and the governing body shall be made a party defendant thereto. The court may, in its discretion, cause such other officers or persons to be made parties defendant as it may deem proper. The court may make such order as may be appropriate respecting the employment and compensation

of an attorney or attorneys for any party defendant not otherwise represented by counsel. The petition shall be given first priority on the docket of such court and shall be heard expeditiously in accordance with the procedures prescribed in Article 2 (§ 8.01-644 et seq.) of Chapter 25 of Title 8.01 and the writ of mandamus shall be awarded or denied according to the law and facts of the case and with or without costs, as the court may determine. The order of the court shall be final upon entry. Any appeal therefrom shall be heard and disposed of promptly by the Supreme Court next after habeas corpus cases already on the docket.
