PART ONE

ESSENTIAL INFORMATION ABOUT

THE ENGLISH LITERACY / CIVICS EDUCATION

PROJECTS

Who administers the English Literacy / Civics (EL/Civics) Education project subgrants?

The Office of Adult Education and Literacy, Virginia Department of Education administers the EL/Civics Education Projects in Virginia. Fiscal management assistance will be provided by a grants manager; technical assistance will be provided by a program specialist. Office hours are 8:00 a.m. to 4:30 p.m., Monday through Friday. The Office of Adult Education and Literacy is located at:

Street or Hand-Delivery Address
101 N. Fourteenth Street, 21st Floor
Richmond, VA 23219

Postal Address
P.O. Box 2120
Richmond, VA 23218-2120

What is the purpose of the EL/Civics Education program?

The purpose of the Virginia EL/Civics Education program is to support projects that demonstrate effective practices in providing and increasing access to English literacy programs linked to civics education. Participants should be able to increase their English proficiency in reading, writing, speaking, and listening in order to understand and navigate governmental, educational, and workplace systems and key American institutions, such as banking and health care. Since electronic access to these systems is increasing, applications shall include the integration of technology in their proposals.

What are the funding priorities for this year?

In the first year, Virginia EL/Civics Education funds will be two-tiered: 1) demonstration and dissemination and 2) program enhancement. Demonstration and dissemination grantees will enhance current English for speakers of other languages (ESOL) programs and be required to develop curriculum and assessment materials, identify effective instructional strategies pertaining to the integration of civics education and English literacy classes, and demonstrate and disseminate their program outcomes and findings throughout the state. Program enhancement grants will be provided to improve and enhance program services to students for whom English is not their primary language. This may include incorporating civics education into existing ESOL classes, conducting outreach activities, or increasing the number of students receiving ESOL. All EL/Civics Education grantees will use technology as a major delivery system for this project. Each grant site will receive technology support from the Office of Adult Education and Literacy and will participate in staff development related to the technology needs of the program site.

How much funding is available?

A total of \$458,450 is available to eligible applicants in both categories combined. The minimum amount provided for **demonstration and dissemination projects** is \$50,000, and the maximum amount is \$100,000. The minimum amount provided for **program enhancement projects** is \$10,000, and the maximum amount is \$30,000.

Who is eligible to apply?

Local school divisions, postsecondary institutions, and private not-for-profit 501(C)(3) community-based organizations that have historically served populations described as ESOL are eligible applicants for either grant category. Recipients should show how they would work together with other state and local agencies in delivering services without duplication of existing services.

How may funds be expended?

Grant funds may be used to support activities and costs related to English literacy and civics education instruction, including the costs of staff and instructors, materials and equipment, staff training, and support services such as child care and transportation for program participants.

How will subgrant recipients be selected?

A project review panel has the responsibility of reviewing applications correctly submitted on time and for recommending projects to be funded. Each qualified applicant will be rated on the criteria identified in this packet.

What are the guidelines for submitting an application?

A subgrant application, prepared in accordance with the criteria, guidelines, and forms contained in this packet (one original and one copy) must be submitted to the Office of Adult Education and Literacy at the Department of Education, on or before February 23, 2001, at 4:30 p.m., at the address above. Applications may be mailed or hand-carried. Under no circumstances may an application be faxed or electronically mailed.

Applications must be typewritten, single-spaced, on 8 ½ by 11 white paper, one side only. One-inch margins must surround the text on all sides, and all pages must be numbered. Print size must be a minimum of 11 points. Original signatures must appear on the appropriate pages.

Please note that failure to comply with the criteria, guidelines, and requirements listed in this packet may result in the application not being reviewed by the panel. It is the responsibility of the applicant to follow the instructions within this packet and to call the Office of Adult Education and Literacy for clarification.

The final request for reimbursement is due on or before August 15, 2002. Expenses included on the reimbursement request must have been incurred and paid during the time period stated on the front of the request form. No expenses may be claimed prior to the starting date or after the ending date listed on the subgrant award form. Non-profit organizations acting as the fiscal agent must provide copies of paid receipts to support their claims for all expenditures. Two copies of the “Adult Education Reimbursement Request,” summary materials, and an accounting voucher are to be submitted by non-profits. Local education agencies do not submit the accounting vouchers or receipts, but all other adult education forms apply. A packet of appropriate reimbursement forms will be supplied to subgrant recipients.

Final Report

A final report of project activities and outcomes will be due to the Department of Education on July 31, 2002. The format of the report shall be negotiated with grant recipients. An interim report will be due on July 31, 2001.

Budget Changes

A “Budget Amendment” form must be submitted if budget changes exceed 5% of the amount in any budget category. This form will be included in the packet of forms received by subgrant recipients.

Record Keeping

The project director must maintain all records related to the subgrant for a period of three (3) years after the ending date of the project. These records must be accessible and available for monitoring and audit purposes. Original copies of all receipts must be maintained by the subgrantee to back up all requests for reimbursement and local expenditures.

Certificates and Compliance

All subgrant participants must certify that they will comply with certain state laws and/or regulations and conduct their projects within the scope of the *State Plan for Adult Education*. Signatures on the “Application Cover Page” and on the “Certifications and Compliance Forms” in the appendices indicate that the applicant agrees, if selected as a subgrant recipient, to fully comply with each. It is the responsibility of the applicant and subgrant recipient to be knowledgeable about applicable laws and regulations.

What are the funding guidelines?

Applicable Federal administrative requirements, cost principles, and audit requirements are incorporated into each subgrant award by reference. For educational institutions, the following apply:

- 1) Uniform Administrative Requirements for Grants and Agreements to State and Local Governments, 45 FR, Part 2541(59 Fed. Reg. 155 published August 12, 1994).
- 2) OMB Circular A-87, Cost Principles for State and Local Governments.
- 3) OMB Circular A-133, Audits of State and Local Governments and Non-Profit Organizations.
- 4) It is the responsibility of the subgrantee to maintain adequate liability coverage for the subgrantee, the employees, and the participants for both on-site and off-site activities.

The subgrant recipient must comply with all other applicable statutes, executive orders, regulations, and policies governing the Workforce Investment Act of 1998, Adult Education State Grant Program – PI 105-220, including, but not limited to those cited in these subgrant provisions, the subgrant award assurances and certifications signed in 2000-2001, and those cited in 45 CFR Parts 2541, 2542, and 2543.

Expenditures

- Funds may not be used to provide religious instruction, conduct worship services, or engage in any form of proselytization; to assist, promote, or deter union organizing; to finance, directly or indirectly, any activity designed to influence the outcome of an election to any public office; or to impair existing contracts for services or collective bargaining agreements.
- Stipends, allowances, post-service benefits, or other financial support may not be paid to any project participant, except as reimbursement for transportation, meals and other reasonable out-of-pocket expenses directly related to project participation.
- Indirect cost rates can be charged only if already approved by the Virginia Department of Education. Indirect costs charged must be in support of administrative functions only.

Termination or Suspension

- In emergency situations, the Virginia Department of Education may suspend a subgrant for not more than 30 calendar days. Examples of such situations may include, but are not limited to: serious risk to persons or property; violations of Federal, State, or local criminal statutes; and material violations of the subgrant that are sufficiently serious that they outweigh the general policy in favor of advance notice and opportunity to show cause.
- Pursuant to 45 CFR 2540.400, the Virginia Department of Education may terminate reimbursement payments under the subgrant, or revoke subgrant funds for failure to comply with applicable provisions of this subgrant. The Department shall provide the subgrantee reasonable notice and opportunity for a full and fair hearing within 60 days of receipt of such notice.

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
