

4-Safe-VA School Safety Program Bomb Threat Planning and Response for Educational Facilities

Sponsored by the Virginia State Police and the Department of Criminal Justice Services

Training Topics

This training focuses on up-to-date strategies for preparing and responding to school-related bomb threats. The training is intended for school superintendents, principals, assistant principals, school resource officers, persons who may be used in building searches, and those who answer phones at the division and school levels. This half-day session will highlight topics including:

- ◇ Proper planning for bomb threats
- ◇ Effective evacuation procedures
- ◇ Evacuation decision making
- ◇ Explosive device recognition
- ◇ Building search techniques
- ◇ Handling the phone call

Training dates and Locations

February 28, 2001	Richmond	Virginia State Police Academy
March 19, 2001	Wytheville	Wytheville Community College
March 27, 2001	Fredericksburg	Rappahannock Regional Criminal Justice Academy

Cost and Registration

This training is offered free of cost. Meals and all travel expenses are the responsibility of the participant. Class size is limited and registration for this training is on a first come-first serve basis. **Agenda and directions will be faxed to you with confirmation of registration.**
