* Privacy Act Statement: The National School Lunch Act requires that, unless you show that you receive food stamps or VA TANF for your child, you must provide the social security number of each adult household member or indicate that the household member does not have a social security number. Provision of a social security number is not mandatory, but if a social security number is not provided for each adult household member or an indication made that an adult household member does not have a social security number, benefits will be terminated. The social security number may be used to identify household members in verifying the correctness of information stated on the application and continued eligibility for the program. These verification efforts may be through program reviews, audits, and investigations and may include contacting employers to determine income, contacting a food stamp or welfare office to determine current certification for receipt of food stamps or VA TANF benefits, contacting the State employment security office to determine the amount of benefits received and checking the documentation produced by household members to prove the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims or legal actions if incorrect information is reported. This information must be provided to each adult household member disclosing his/her social security number.
