## EXAM MEMBER BENEFITS PROGRAM

### Application to Participate

The State of Virginia is an Official Member of the Exam Member Benefits Program. As a statewide partner, every high school and community college in the State of Virginia is eligible to participate in the program.

#### Who is eligible?

- All High Schools in the State of Virginia
- All Community Colleges in the State of Virginia

#### Exam Discounts

CIW Foundations                      \$65  
CIW Professional Exams              \$75

\*(CIW Exams retail for \$125)

#### Free CIW exams for educators

All licensed educators will be allowed a free exam for CIW Foundations if they are offering the CIW Foundations course on their schedule.

#### A New Model of Certification Exam Delivery for Academic Partners

ProsoftTraining is working in partnership with Prometric on a flexible and secure model for CIW Certification exam delivery. Participating organizations will only need a computer with Microsoft Internet Explorer, Internet access, authorization and training to use this delivery system.

#### How to Get Started

You will need to designate a Program Contact who will serve as the exam proctor. This person will go through a short training session and will be certified to serve as the exam proctor for that designated academic institution. Please fill out the form below and fax it back to your account representative.
