\* Please note amendment Item 154 #1c that was adopted by the General Assembly (subject to approval by the Governor) regarding carryover of state funds from FY 2002 to FY 2003: "B. Notwithstanding the provisions of § 22.1-100, Code of Virginia, any unexpended balances of state funds held by school divisions on June 30, 2002, that are not required to be spent for the state share of the Standards of Quality programs as specified in Item 143 A 7 may be carried on the books of the locality to be appropriated to the school division in the following fiscal year for any school purpose. Any such funds carried to the next fiscal year shall continue to be counted as state funds."
