

# Virginia Educational Facility Planners Annual Conference

February 24-25, 2003

Virginia Crossings Resort  
Glen Allen, Virginia  
(Richmond Area)

A workshop to benefit school facility planners and operations staff, school administrators, architects and engineers, school board members, boards of supervisors, or anyone who is planning to renovate or build an educational facility.

Experience two days of interactive workshops of your choice to discuss implementing educational facility-related changes in Virginia:

- Discuss educational trends
- Meet with architects to discuss their exhibited school designs
- Hear from last year's architectural exhibit award winners
- Receive Continuing Education Units
- Receive VEFP Membership
- Receive a booklet that includes a list of sponsorship members, project data sheets for all schools exhibited at the conference, and a list of conference attendees
- Learn more about recent legislation on public/private partnerships
