Again, this year, we will have a sponsorship program that will allow architects and other organizations involved in the planning and design of educational facilities to support the VEFP by contributing \$1000, \$500, \$300 or \$200. For this sponsorship, we will boldly list your company in the conference program as a sponsor and friend of VEFP and you will be recognized at the annual banquet. Additionally, event sponsorship is available.

We will also be inviting the architects who submit school exhibits to share those projects with the attendees during the reception just prior to the annual banquet. There is a \$100 exhibit fee per entry displayed and this fee will be used to support that evening's events. If you are an architect that wishes to submit architectural exhibits at the conference and also wish to be a sponsor, the \$100 exhibit fee will be waived on the first entry.
