Virginia Board of Education Student Advisory Committee Application 2004-2005

The Board of Education is seeking nominations for the Student Advisory Committee for the 2004-2005 academic year. Student members will serve a one-year term and will meet at least three times during the school year. Nominations may be submitted as follows:

- Each public high school may submit one nomination;
- Each public middle school may submit one nomination; and
- Each statewide student organization may submit one nomination.

Each student who is nominated by his/her school or statewide organization must complete and submit the attached application.

Selection Criteria

Student membership will consist of the following:

- One (1) high school student from each of the eight Superintendent's Regions in the commonwealth; and
- Four (4) middle school students selected at large from the commonwealth.

The nomination process is open to all students enrolled in high school or middle school; however, only one nomination can be accepted from each school or statewide organization. Students who are nominated for this program should be well versed in a broad spectrum of topics that relate to school life in Virginia. Their academic progress should be strong enough to allow them to miss classes for committee meetings on several days throughout the year.

All students selected for the committee must have access to e-mail and the Internet, either from their home or from a school computer. The Board of Education will communicate frequently with the members via E-mail, and there will be periodic Internet reading assignments.

Applicants selected to serve on the Student Advisory Committee should reflect interests from a variety of school-related areas, including academics, athletics, fine arts, career and technical areas, student government, and club leadership. Students applying to serve on the committee should demonstrate:

- Solid academic performance;
- Strong communication and leadership skills;
- Involvement in a variety of co-curricular and/or extra-curricular activities; and
- An interest in learning about and contributing to state policies established by the Virginia Board of Education.

Meeting Schedule and Location

The first meeting will be held on December 15, 2004. Subsequent meetings are tentatively scheduled for February 22-23, 2005, and April 19-20, 2005. The latter two meetings are scheduled to coincide with the Board of Education's business meetings.

Advisory committee meetings will be held in Richmond. Each student must be accompanied by a supervising adult for each committee meeting. Travel expenses for both the student and the supervising adult will be reimbursed by the Board of Education in accordance with state guidelines.
