

**EDUCATIONAL INTERPRETER GRANT COORDINATORS**

**2005 – 2006**

Regional grant coordinators are responsible for:

- Developing a training plan for each interpreter
- Organizing regional trainings that meet the needs of interpreters in their region

You may also call on them to provide guidance when you are hiring new interpreters or on interpreting issues. Please keep your regional coordinator updated with contact information on new interpreters who have been hired and those whose placement has changed.
