Virginia Preschool Initiative (VPI) Data Collection and Fall Verification
Reporting Requirements for 2008-2009

All eligible localities must fax a certification form that certifies participation or non-participation in the Virginia Preschool Initiative in the spring and again in the fall.

The data collection and fall verification report will be collected through the Department of Education's Single Sign-On for Web Applications System (SSWS). Access to the data collection and fall verification report must be requested through the school division's SSWS account manager.

Once you have access to the Virginia Preschool Initiative Application and Data Collection site, click on Application and Verification Report. Then select reporting period (Fall Verification-Actual). Finally, select fiscal year 2009.

All eligible school divisions, regardless of participation, are required to fax a copy of the signed certification form to Cheryl Strobel at (804)786-1703. The signed certification form is due by October 1, 2008.

Please note that each jointly-operated school division (Bedford County and Bedford City, Fairfax County and Fairfax City, Greensville County and Emporia City, and James City County and Williamsburg) must submit separate certifications for each participating locality.
