(Briefly describe the partnership.)

over

Information provided in support of the nominee must be in a readable type size and be limited to the space available on this nomination form.

**Results (75 points maximum)**

(How does the partnership serve students? Include quantitative data such as number of students served or other appropriate measures. Are student outcomes enhanced in the classroom, laboratory, or workplace? How is the local career and technical education program strengthened? How is the local labor market served? How are teachers and guidance counselors involved? Are there direct benefits to the business or industry involved? Do the results relate closely to the purposes of the partnership?)
