<sup>1</sup> Operations include regular day school, school food services, summer school, adult education, and other education, but do not include pre-kindergarten, non-regular day school programs, non-local education agency (LEA) programs, debt service, or capital outlay additions. Non-LEA programs include expenditures made by a school division for state-operated education programs (in hospitals, clinics, and detention homes) that are located within the school division and reimbursed with state funds.

<sup>2</sup> The Average Daily Membership (ADM) calculated at the end of the school year includes the ADM of pupils served in the school division and the ADM of resident pupils for whom tuition is paid to another school division, regional special education program, or private school. It excludes Head Start, pre-kindergarten, and junior kindergarten students.

<sup>3</sup> Expenditures exclude tuition payments (revenue source code 1901010) received from other LEAs.

<sup>4</sup> Sales Tax amounts are as reported on the Annual School Report and include both the one percent and one-eighth percent.

<sup>5</sup> Support by fund source may not equal total expenditures due to rounding.

<sup>6</sup> Data for Jointly-operated school divisions (Bedford City and Bedford County; Fairfax City and Fairfax County; Emporia and Greensville County; and Williamsburg and James City County) is reported under the fiscal agent division only. Bedford County, Fairfax County, Greensville County and Williamsburg are the fiscal agent divisions.

<sup>7</sup> State level Per Pupil amounts are calculated based on state level totals. For example: Local state level 'Per Pupil' Amount = state level 'Local Amount' divided by the state level 'End-of-Year ADM for determining Cost Per Pupil'.
