³ Columns may not add due to rounding.
⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

³ Columns may not add due to rounding.
⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.

⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.

⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.

⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.

⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.

⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.

¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.

¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781

(support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. ¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.

¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

³ Columns may not add due to rounding.
⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. ¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

² ADM values shown are based on Final March 31, 2009, ADM for FY 2009 and the Department of Education's latest ADM projections for FY 2010.

³ Columns may not add due to rounding.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.

⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.

⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.

⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.

⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.

⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.

¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.

¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.

¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.

¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.

¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.

⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.

⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.

⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.

⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.

⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.

¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.

¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781

(support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml

¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.

¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.

¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.

⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.

⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.

⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.

⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.

⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.

¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.

¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.

¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.

¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.

¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.

⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. ¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.

⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.

⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.

⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.

⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.

⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.

¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.

¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.

¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.

¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.

¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.

¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. ¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.

¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. ¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

² ADM values shown are based on Final March 31, 2009, ADM for FY 2009 and the Department of Education's latest ADM projections for FY 2010.
³ Columns may not add due to rounding.
⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.

⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

³ Columns may not add due to rounding.
⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). ¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.

⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. ¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

³ Columns may not add due to rounding.
⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

³ Columns may not add due to rounding.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.

⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.

⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.

⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.

⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.

⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.

¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.

¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.

¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.

¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.

¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

³ Columns may not add due to rounding.
⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

³ Columns may not add due to rounding.
⁴ School Construction Grants Program state payment for FY 2009 calculated using the actual ADM for the previous fiscal year.
⁵ Includes state funding for regional career & technical, special, and alternative education programs and Academic Year Governor's Schools.
⁶ Projected state payment. Final reimbursements will be based on actual expenditures, up to the projected state payment.
⁷ Projected state payment. Final reimbursements will be based on actual expenditures, subject to the availability of funds.
⁸ Projected revenue estimate. Semi-monthly payments will be based on actual sales tax receipts. Pursuant to the Appropriation Act, the Basic Aid state payment calculation is based on the appropriated sales tax distribution and is not adjusted for actual sales tax revenues received.
⁹ Projected state payment. Final payments will be based on the balance remaining after all accounts funded from Lottery proceeds have been funded; this amount will not be known until the final June 30 Electronic Funds Transfer.
¹⁰ Chapter 781, 2009 Appropriation Act, includes the removal of the required local match for Support for School Construction, Operating Costs and Textbooks in FY 2010.
¹¹ The General Assembly allocated a portion of anticipated State Fiscal Stabilization Funds (SFSF) in FY 2010 based on each division's relative share of the reductions from the policy actions in Chapter 781 (support position ratio, eliminate School Construction Grants, & eliminate the School Construction portion of the Support for School Construction, Operating Costs and Textbooks account). Please note that the use of the SFSF is restricted to the allowable uses as prescribed in the ARRA and U. S. Department of Education guidance. Guidance on the use of SFSF and other ARRA funding is available on VDOE's ARRA web site at: http://www.doe.virginia.gov/funding_grants/arra/index.shtml.
¹² For further details on the full Basic Aid entitlement and all adjustments for FY 2009, refer to the "Adjustments to FY2009 Basic Aid" tab.
¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.
¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.

¹³ The Senate's amendments (Same as the Governor's Amended Budget) to the Governor's amended budget provide an employer contribution rate premium holiday for VRS retirement, group life (and employee rate for group life only), and retiree health care credit for the fourth quarter of FY 2010 (April to June, 2010). There are no changes to the VRS, RHCC, or Group Life employer contribution rates on which school divisions will make monthly contribution payments to VRS for FY 2010. However, employer contribution payments by divisions to VRS for these benefits will be suspended during April through June, 2010. State SOQ payments for these benefits will be reduced by 50 percent (from January to June 2010) to account for the premium holiday in the fourth quarter. The applicable employee share of VRS retirement will still be paid by divisions to VRS.

¹⁴ A portion of the FY 2010 state share of Basic Aid will be funded with SFSF. See the "Modified Basic Aid Payments" tab for further details.
