

Virginia Career VIEW
is now focusing
on

K-8 Career Exploration!

We're pleased to offer our Fall lineup of FREE workshops highlighting this new focus. Learn about updates, resources, and tools available on the VIEW website for the elementary and middle-school age groups.

Great information for:

- K-8 school counselors/educators
- PTA board members
- Parents

You can register either by completing the form in this brochure OR by registering online at www.vacareerview.org.

We look forward to seeing you this Fall!

3. Choose your sessions

Session One (choose one):

New to VIEW How-To: We Put it All Together

An introductory session for those who have never used Virginia Career VIEW: identify areas of the website to promote career development in grades K-8

The Career Adventure: Engaging Parents in Career Exploration Find creative and effective ways to use VIEW resources that will encourage parents to be partners in helping guide K-8 students on the career adventure.

Session Two (choose one):

Exploring Career Pathways in Middle School

Identify VIEW resources that make exploring career pathways an interactive experience. All activities are related to VA SOLs, counseling standards, and career cluster focus.

Exploring Career Clusters in Elementary School

Discover VIEW's variety of activities and resources based on the 16 Career Clusters. Gain fresh ideas for activities, field trips, and class projects and increase parental involvement.

Session Three (choose one):

VIEW STEM Toolkits: Science, Technology, Engineering and Math Careers Explore VIEW's STEM resources, all designed to inspire exploration of STEM careers. Relate all activities to the VA SOLs, counseling standards, and career clusters.

Academic Career Plan (ACP): Start with the End in Mind Develop effective, student-driven plans that meet the expectations of students, parents, and school professionals using VIEW's resources, activities and printables.
