## Governor's STEM Academy for Engineering, Marketing, and Information Technology studies at Landstown High School

### Presentation topics for workforce preparedness

Our program is dedicated to preparing students for the 21<sup>st</sup> century world. We incorporate a variety of techniques and resources to achieve this goal. Specific topics to be addressed and expanded upon in our presentation include:

- Industry credentials
- Software instruction and application
- Mentorships/Co-ops
- Competitive events
- Eagle Talk series/Speakers
- Field trips
- Projects
- Presentations
- Capstone classes
- Student organizations
- Leadership development
- Partnerships
- Equipment training and application
