"Appreciation is a wonderful thing. It makes what is excellent in others belong to us as well.” - Voltaire

Simply put, our stakeholders are the very best. We consider ourselves fortunate to share in your traditions of excellence. You have risen to the occasion in impactful ways to assist our project’s progress over the past 18 months. Your generosity has included office space, informational conferences, professional expertise, twelfth-hour printing services, and meeting space complete with bohemian décor and world music. To borrow from Shakespeare, “[We] can no other answer make, but thanks and thanks”. – Board of Directors, RUC
