Background Information: Members of the 2007-2008 Student Advisory Committee were selected from more than 160 nominations received in November 2007 from public middle and high schools across the state. Each public middle school and high school was eligible to nominate one student for consideration. Statewide student organizations were also invited to submit nominees. The nominees completed an application packet that included letters of recommendation and essays.

Representatives of the Board of Education reviewed all applications and selected the new members according to Board of Education policy. The membership of the Student Advisory Committee is set forth in Article X of the Board of Education's bylaws. Of the 12 members of the Student Advisory Committee, one high school student is selected from each of the Department of Education's eight Superintendents' Study Group regions, and four middle school students are selected at-large (see attached membership list).

Summary of Major Elements: During the first meeting in December 2007, the members of the Student Advisory Committee discussed a broad spectrum of issues and concerns for students in the public schools across the state. From this discussion, the committee members selected three topics for in-depth study and divided into small work groups focused on the three topics.

At the committee's second meeting on February 20, 2008, the members will continue their discussions and formulate preliminary findings.

At the February 21st Board of Education meeting, the members of the Student Advisory Committee will be introduced and will present a summary of the topics selected for in-depth study.

Superintendent's Recommendation: N/A

Impact on Resources: Department of Education funds are used to support the work of the Student Advisory Committee by reimbursing for travel and other expenses related to the committee's meetings.

Timetable for Further Review/Action: Following receipt of the final report and recommendations of the 2007-2008 Student Advisory Committee, the Board of Education will set a timetable for follow-up actions and discussions.
