Purpose of Presentation:

Action required by state or federal law or regulation.

Previous Review or Action:

No previous review or action.

Action Requested:

Final review: Action requested at this meeting.

Alignment with Board of Education Goals: Please indicate (X) all that apply:

	Goal 1: Expanded Opportunities to Learn
	Goal 2: Accountability of Student Learning
	Goal 3: Nurturing Young Learners
	Goal 4: Strong Literacy and Mathematics Skills
	Goal 5: Highly Qualified and Effective Teachers and Administrators
	Goal 6: Sound Policies for Student Success
X	Goal 7: Safe and Secure Schools
	Other Priority or Initiative. Specify:

Background Information and Statutory Authority:

Goal 7: The Literary Fund provides low-interest loans for new school construction and for additions or permanent improvements to existing schools to help provide students with a safe and secure environment in which to learn. School divisions that have successfully completed the application process for a low-interest loan from the Literary Fund for new construction or renovation are placed on one of two Waiting Lists. The Literary Fund regulations of the Board of Education establish two priorities for the Literary Fund Waiting Lists. These priorities are as follows:

Priority 1: Applications from localities having a composite index less than 0.6000 and indebtedness (including the application considered for release of funds) less than \$20 million to the Literary Fund (Attachment A).

Priority 2: Applications from localities having a composite index of 0.6000 or above or an indebtedness (including the application considered for release of funds) of \$20 million or greater to the Literary Fund (Attachment B).

Attachment C lists the projects that have been removed from the First Priority Waiting List.

Attachment D identifies the Literary Fund applications that are available for release.

Attachment E is the Board of Education's current Approved Application List. This attachment identifies the Literary Fund applications that are approved as to form but are awaiting other required information to be submitted to the Department. These projects are not included on either waiting list and are not recommended for funding at this time.

Summary of Important Issues:

To the extent funds are available, a recommendation for initial release of funds is presented for projects currently on the First Priority Waiting List or otherwise eligible for priority funding. To the extent funds are not available, new requests for the initial release of Literary Funds cannot be approved. As a result, such requests must be deferred and placed on either the First or Second Priority Waiting List in accordance with the Literary Fund regulations.

This item consists of three applications that require action by the Board of Education. These applications are:

1. Windsor Middle School – Isle of Wight County, totaling \$7,500,000 and listed on Attachment A, is eligible for placement on the First Priority Waiting List at Priority 37.
2. Union High School – Wise County, totaling \$7,500,000 and listed on Attachment A, is eligible for placement on the First Priority Waiting List at Priority 38.
3. Eastside High School – Wise County, totaling \$7,500,000 and listed on Attachment A, is eligible for placement on the First Priority Waiting List at Priority 39.

Impact on Fiscal and Human Resources:

Current Board policy provides that, upon initial release of funds, Literary Fund cash is reduced in the total amount of the approved loan to assure that cash is available as required for project completion. The disbursement of funds is based on actual invoices or other evidence of bills due and payable from the Literary Fund.

Timetable for Further Review/Action:

The staff will prepare items for the Board on this action as needed. Based on the availability of funds, initial release of funds will be made or projects will be deferred and placed on the Waiting Lists.

Superintendent's Recommendation:

The Superintendent of Public Instruction recommends that the Board of Education approve the action described in these three applications listed under "Summary of Important Issues."
