

Virginia Board of Education Agenda Item

Agenda Item: I

Date: April 28, 2016

Title	First Review of Revisions to the List of 2016-2017 Board of Education Approved Industry Certifications, Occupational Competency Assessments, and Professional Licenses		
Presenter	Ms. Lolita B. Hall, Director, Office of Career and Technical Education		
E-mail	lb.hall@doe.virginia.gov	Phone	804-225-2051

Purpose of Presentation:

Action required by Board of Education regulation.

Previous Review or Action:

Previous review and action. Specify date and action taken below:

Dates: September 28, 2000; April 26, 2001; April 24 & 25, 2002; May 28, 2003; June 25, 2003; February 25, 2004; February 23, 2005; November 30, 2005, November 29, 2006, January 10, 2008, January 15, 2009, January 14, 2010, February 17, 2011, May 24, 2012, June 27, 2013, April 24, 2014, and April 23, 2015.

Action: Technical changes, additions, and/or deletions were approved to the list of Board-approved certification examinations, assessments, and licenses.

Action Requested:

Action will be requested at a future meeting. Specify anticipated date below:

May 26, 2016 – Final Review

Alignment with Board of Education Goals: Please indicate (X) all that apply:

X	Goal 1: Accountability for Student Learning
	Goal 2: Rigorous Standards to Promote College and Career Readiness
	Goal 3: Expanded Opportunities to Learn
	Goal 4: Nurturing Young Learners
	Goal 5: Highly Qualified and Effective Educators
	Goal 6: Sound Policies for Student Success
	Goal 7: Safe and Secure Schools
	Other Priority or Initiative. Specify:

Background Information and Statutory Authority:

Goal 1: Secondary students who complete rigorous and relevant CTE programs gain the knowledge and skills needed to earn industry-recognized, in-demand credentials that lead to success in further education and careers.

The *Regulations Establishing Standards for Accrediting Public Schools in Virginia*, 8 VAC 20-131-50.H.3, provide students who demonstrate academic excellence and/or outstanding achievement the opportunity to earn the Board of Education’s Career and Technical Education Seal.

8 VAC 20-131-50.H.3 – “The Board of Education’s Career and Technical Education Seal will be awarded to students who earn a Standard Diploma or Advanced Studies Diploma and complete a prescribed sequence of courses in a career and technical education concentration or specialization that they choose and maintain a “B” or better average in those courses; or (i) pass an examination or occupational competency assessment in a career and technical education concentration or specialization that confers certification or an occupational competency credential from a recognized industry, trade or professional association or (ii) acquire a professional license in that career and technical education field from the Commonwealth of Virginia. The Board of Education shall approve all professional licenses and examinations used to satisfy these requirements.”

The *Regulations Establishing Standards for Accrediting Public Schools in Virginia*, 8 VAC 20-131-50.H.4, provide students who demonstrate academic excellence and/or outstanding achievement the opportunity to earn the Board of Education’s Seal of Advanced Mathematics and Technology.

8 VAC 20-131-50.H.4 – “The Board of Education’s Seal of Advanced Mathematics and Technology will be awarded to students who earn either a Standard Diploma or Advanced Studies Diploma and (i) satisfy all of the mathematics requirements for the Advanced Studies Diploma (four units of credit including Algebra II; two verified units of credit) with a “B” average or better; and (ii) either (a) pass an examination in a career and technical education field that confers certification from a recognized industry, or trade or professional association; (b) acquire a professional license in a career and technical education field from the Commonwealth of Virginia; or (c) pass an examination approved by the board that confers college-level credit in a technology or computer science area. The Board of Education shall approve all professional licenses and examinations used to satisfy these requirements.”

The *Regulations Establishing Standards for Accrediting Public Schools in Virginia* make the following provisions relative to students earning verified units of credit:

8 VAC 20-131-110.C – Standard and verified units of credit
“The Board may from time to time approve additional tests for the purpose of awarding verified credit. Such additional tests, which enable students to earn verified units of credit, must, at a minimum, meet the following criteria:

1. The test must be standardized and graded independently of the school or school division in which the test is given;
2. The test must be knowledge-based;
3. The test must be administered on a multistate or international basis, or administered as part of another state’s accountability assessment program; and
4. To be counted in a specific academic area, the test must measure content that incorporates or exceeds the SOL content in the course for which verified credit is given.”

8 VAC 20-131-50.B.2 – (Requirements for a Standard Diploma - Footnotes 5, 6 and 8)

5 “A student may utilize additional tests for earning verified credit in computer science, technology, career and technical education, economics, or other areas as prescribed by the board in 8VAC 20-131-110.”

6 “Students who complete a career and technical education program sequence and pass an examination or occupational competency assessment in a career and technical education field that confers certification or an occupational competency credential from a recognized industry, or trade or professional association, or acquires a professional license in a career and technical education field from the Commonwealth of Virginia may substitute the certification, competency credential, or license for (i) the student selected verified credit and (ii) either a science or history and social science verified credit when the certification, license, or credential confers more than one verified credit. The examination or occupational competency assessment must be approved by the Board of Education as an additional test to verify student achievement.”

8 “Students shall earn a career and technical education credential approved by the Board of Education, except when a career and technical education credential in a particular subject area is not readily available or appropriate or does not adequately measure student competency, in which case the student shall receive satisfactory competency-based instruction in the subject area to satisfy the standard diploma requirements. The career and technical education credential, when required, could include the successful completion of an industry certification, a state licensure examination, a national occupational competency assessment, or the Virginia workplace readiness assessment.”

8 VAC 20-131-50.C.2 – (Requirements for an Advanced Studies Diploma - Footnote 5)

5 “A student may utilize additional tests for earning verified credit in computer science, technology, career and technical education, economics, or other areas as prescribed by the board in 8VAC 20-131-110.”

Summary of Important Issues:

The process for reviewing and validating industry credentials for the purpose of awarding verified credit is based on the following criteria: 1) the test must be standardized and graded independently of the school or school division in which the test is given; 2) the test must be knowledge based; 3) the test must be administered on a multistate or international basis, or administered as part of another state’s accountability assessment program; and 4) to be counted in a specific academic area, the test must measure content that incorporates or exceeds the Standards of Learning content in the course for which verified credit is given. Important to this process is ensuring that the credential is relevant and recognized in the workplace.

The attached list of **369** industry or trade association certification examinations, professional licenses, and occupational competency assessments meets the Board’s requirements in 8 VAC 20-131-50.H.3 (Board of Education’s Career and Technical Education Seal), 8 VAC 20-131-50.H.4 (Board of Education’s Seal of Advanced Mathematics and Technology), 8 VAC 20-131-110.C (Standard and Verified Units of Credit), 8 VAC 20-131-50.B.2 (Requirements for a Standard Diploma - Footnotes 5, 6 and 8), and 8 VAC 20-131-50.C.2 (Requirements for an Advanced Diploma - Footnote 5).

Included in the attached list are **64** additional industry or trade association certification examinations and occupational competency assessments that have been identified as meeting criteria to satisfy requirements for the Career and Technical Education Seal, the Seal of Advanced Mathematics and Technology, student-selected verified credit, and the Standard Diploma graduation requirement.

Industry or trade association certification examinations, professional licenses, and occupational competency assessments are continually being revised or discontinued to stay current with technology and new techniques. These changes may be such that individual certifications are no longer available or no longer meet the Board of Education’s criteria for diploma seals or student-selected verified credit, or require additional criteria. Technical changes have been made to the credential name or issuing organization of **24** certifications that were previously approved by the Board. In addition, **6** certification examinations are recommended for deletion from the Board-approved list.

Impact on Fiscal and Human Resources:

State funds will be used to assist students to become certified. Federal Perkins CTE funds may be used to help teachers, programs, and students become certified.

Timetable for Further Review/Action:

After final approval, a Superintendent’s Memorandum will notify school divisions of the technical changes and additions to and deletions from the list of industry certifications, occupational competency assessments, and licenses.

Superintendent's Recommendation:

The Superintendent of Public Instruction recommends that the Board of Education receive for first review the revised list of industry certification examinations, occupational competency assessments, and licenses to meet the requirements for the Board of Education’s Career and Technical Education and Advanced Mathematics and Technology Seals, student-selected verified credit, and the Standard Diploma graduation requirement.

TECHNICAL CHANGES

Note: In some titles the word “examination” has been replaced with “assessment.”

Agricultural Education

1. Greenhouse Operations Certification Examination (Southeast Greenhouse Growers Association/Virginia Flower Growers Association)
2. Outdoor Power Equipment Technician Certification Tests (Pass any one test) (Equipment and Engine Training Council)

Business and Information Technology

1. Accounting – ~~Complete~~ Assessment Accounting - Advanced Assessment (National Occupational Competency Testing Institute (NOCTI))
2. Apple ~~Pro-Certification~~ Certified Pro Examinations (Pass any one exam) (Apple, Inc.)
3. Certified Internet Web (CIW) Professional Examinations (Pass any one exam) (~~Prosoft Training Certification Partners, LLC~~)
4. Intuit QuickBooks Certified User Certification Test (Certiport)
5. Linux+ Examinations—Powered by Linux Professional Institute (LPI) (Must pass both exams) (CompTIA)

Family and Consumer Sciences

1. Commercial Foods Assessment (National Occupational Competency Testing Institute (NOCTI) ~~and Certiport~~)

Health and Medical Sciences

1. ~~Nurse Aide Examination~~ National Nurse Aide Assessment Program (NNAAP) Examination (Virginia Board of Nursing)

Technology Education

1. Architectural Apprentice Drafter ~~Drafting Apprentice~~ Examination (American Design Drafting Association (ADDA))
2. Architectural Certified Drafter ~~Drafting~~ Examination (American Design Drafting Association (ADDA))
3. Electronics Application/Electronics Technology Education (SkillsUSA)
4. ~~Manufacturing Technology Certification Examinations (Pass any one exam)~~ Manufacturing Technician Level 1 Certification Examination (Manufacturing Skills Institute)
5. Mechanical Apprentice Drafter ~~Drafting Apprentice~~ Examination (American Design Drafting Association (ADDA))
6. Mechanical Certified Drafter ~~Drafting~~ Examination (American Design Drafting Association (ADDA))

Trade and Industrial Education

1. A+ Certification Examinations (Pass any one exam) ~~from 2009 certification~~ (CompTIA)
2. ~~Automotive Technician Examinations (ASE) (Pass any one exam from Automobile Technician Test Series)~~ ASE Student Certification Examinations (Pass any one exam from Automobile, Collision Repair and Refinish, or M/H Truck) (National Institute for Automotive Service Excellence)
3. Certified Satellite ~~Dish~~ Installer (CSI) Installer (Electronics Technicians Association (ETA) International)
4. ~~Collision Repair and Refinishing Technician Examinations (ASE) (Pass any one exam)~~ (see ASE Student Certification Examination (National Institute for Automotive Service Excellence))
5. CompTIA ~~Strata Fundamentals of IT Technology~~ IT Fundamentals Certification Examination (CompTIA Certiport)
6. Criminal Justice and CSI Examination/~~Crime Scene Investigation (CSI)~~ (SkillsUSA)
7. ~~Edison Electric Institute~~ EEI Employment Test Batteries (Pass any one test) (Edison Electric Institute (EEI))
8. Network Cabling Specialist Certification Examination (~~Pass copper and fiber examinations~~) (C-Tech Associates, Inc.)
9. ~~Television Broadcasting Assessment~~ Television Production Assessment ((National Occupational Competency Testing Institute (NOCTI))

ADDITIONS

Agricultural Education

1. Basic Canine Care & Handling – Level 1 Certification Examination (Continental Kennel Club, Inc.)
2. Food Safety & Science Certification Examination (American Meat Science Association – Exam is administered by iCEV)
3. Fundamental of Animal Science Certification Examination (Elanco – Exam is administered by iCEV)
4. Landscape Management Certification Examination (Green Industry Web Portal)
5. Meat Evaluation Certification Examination (American Meat Science Association – Exam is administered by iCEV)

6. Plant Science Certification Examination (Bayer CropScience – Exam is administered by iCEV)
7. Principles of Floral Design Certification Examination (Benz School of Floral Design – Exam is administered by iCEV)
8. Principles of Livestock Selection and Evaluation Certification Examination (National Collegiate Livestock Coaches Association – Exam is administered by iCEV)
9. Professional Communications Certification Examination (Southwest Airlines – Exam is administered by iCEV)
10. Urban Forestry Certification Test (Green Industry Web Portal)
11. Veterinary Medical Applications Certification Examination (Elanco– Exam is administered by iCEV)

Business and Information Technology

1. Oracle Certified Junior Associate Examinations (Pass any one exam) (Oracle Corporation)

Health and Medical Sciences Education

1. Certified EKG Technician (CET) Examination (American Allied Health (AAH))
2. Certified Optometric Assistant (COA) Examination (American Allied Health (AAH))
3. Certified Phlebotomy Technician (CPT) Examination (American Allied Health (AAH))
4. Limited Licensed Radiology Technologist (LLRT) Examination (American Allied Health (AAH))
5. Registered Medical Assistant (RMA) Examination (American Allied Health (AAH))
6. Billing Coding Specialist Certification (BCSC) Examination (American Medical Certification Association (AMCA))
7. Dental Support Technician Certification (DSTC) Examination (American Medical Certification Association (AMCA))
8. Mental Health Technician Certification (MHTC) Examination (American Medical Certification Association (AMCA))
9. Patient Care Technician Certification (PCTC) Examination (American Medical Certification Association (AMCA))
10. Clinical Medical Assistant Certification (CMAC) Examination (American Medical Certification Association (AMCA))
11. Physical Therapy Aide Certification (PTAC) Examination (American Medical Certification Association (AMCA))
12. Medical Administration Assistant Certification (MAAC) Examination (American Medical Certification Association (AMCA))
13. Electronic Health Record Certification (EHRC) Examination (American Medical Certification Association (AMCA))
14. Certified Emergency Telecommunicator Examination (International Academies of Emergency Dispatch (IAED))
15. Certified Registered Central Service Technician (CRCST) Examination (International Association of Central Service Materials Management (IAHCSMM))
16. Nationally Registered Certified Administrative Health Assistant (NRCAHA) Examination (National Association of Health Professionals (NAHP))
17. Nationally Registered Certified Billing and Coding Specialist (NRCBCS) Examination (National Association of Health Professionals (NAHP))
18. Nationally Registered Certified Coding Specialist (NRCCS) Examination (National Association of Health Professionals (NAHP))
19. Nationally Registered Certified EKG Technician (NRCEKGT) Examination (National Association of Health Professionals (NAHP))

20. Nationally Registered Certified Patient Care Technician (NRCPCT) Examination (National Association of Health Professionals (NAHP))
21. Nationally Registered Certified Pharmacy Technician (NRCPhT) Examination (National Association of Health Professionals (NAHP))
22. Nationally Registered Certified Phlebotomy Technician (NRCPT) Examination (National Association of Health Professionals (NAHP))
23. Nationally Registered Certified Surgical Technician (NRCST) Examination (National Association of Health Professionals (NAHP))
24. Emergency Medical Services Assessment (National Occupational Competency Testing Institute (NOCTI))

Marketing Education

1. Fashion Merchandising Assessment (National Occupational Competency Testing Institute (NOCTI))

Technology Education

1. Manufacturing Specialist Certification Examination (Manufacturing Skills Institute)

Trade and Industrial Education

1. Air Cooled Gasoline Engines Expert Technician Test (Kohler Engines)
2. Building Science Principles Examination (Building Performance Institute (BPI))
3. Carpentry Level One – Entry Level Assessment (National Center for Construction Education & Research (NCCER))
4. Certified Alarm Security Technician (CAST) Examination (Electronics Technicians Association (ETA) International)
5. Certified Broadcast Technologist (CBT) Examination (The Society of Broadcast Engineers (SBE))
6. Certified Radio Operator (CRO) Examination (The Society of Broadcast Engineers (SBE))
7. Certified Television Operator (CTO) Examination (The Society of Broadcast Engineers (SBE))
8. Cisco Certified Networking Associate (CCNA) Security Examination (CiscoSystems, Inc.)
9. Cisco Certified Networking Professional (CCNP) Routing and Switching Examination (CiscoSystems, Inc.)
10. Cisco Certified Networking Professional (CCNP) Security Examination (CiscoSystems, Inc.)
11. Construction Technologist – Entry Level Assessment (National Center for Construction Education & Research (NCCER))
12. Core: Introductory Craft Skills – Entry Level Assessment (National Center for Construction Education & Research (NCCER))
13. Customer Service Specialist (CSS) Examination (Electronics Technicians Association (ETA) International)
14. Electrician Level One – Entry Level Assessment (National Center for Construction Education & Research (NCCER))
15. Emergency Medical Services Assessment (National Occupational Competency Testing Institute (NOCTI))
16. General Communications Technician – Level 1 (GCT1) Examination (Electronics Technicians Association (ETA) International)
17. General Radiotelephone (GRO) Examination (Federal Communications Commission (FCC))
18. Heavy Equipment Operator Level One – Entry Level Assessment (National Center for Construction Education & Research (NCCER))

19. HAVC Level One – Entry Level Assessment (National Center for Construction Education & Research (NCCER))
20. Masonry Level One – Entry Level Assessment (National Center for Construction Education & Research (NCCER))
21. Mobile Communications and Electronics Installer (MCEI) Examination (Electronics Technicians Association (ETA) International)
22. Non-Structural Technician – ProLevel 1 Certification Test (ICAR)
23. Photovoltaic Installer – Level 1 (PV1-LVL1) Examination (Electronics Technicians Association (ETA) International)
24. Plumbing Level One – Entry Level Assessment (National Center for Construction Education & Research (NCCER))
25. Refinish Technician – ProLevel 1 Certification Test (ICAR)
26. Welding Level One – Entry Level Assessment (National Center for Construction Education & Research (NCCER))

DELETIONS
(Credentials discontinued by providers)

Health and Medical Sciences Education

1. Medical Assisting Examination (SkillsUSA)

Marketing Education

1. Lodging Management Program Certification Examinations, (Pass Level 1 and/or Level 2) (American Hotel and Lodging Association (AH&LA))

Technology Education

1. Autodesk Application Certification Program Examinations (Pass any one exam) (Autodesk)

Trade and Industrial Education

1. BICSI Registered Installer Certification Examination, Level 1 (BICSI – International Communications Association)
2. Copper Based Cabling Certification Examination (RBT Systems, Inc.)
3. Fiber Optic Network Cabling Construction Examination (RBT Systems, Inc.)

**2016-2017 BOARD OF EDUCATION APPROVED INDUSTRY CERTIFICATIONS, OCCUPATIONAL COMPETENCY ASSESSMENTS,
AND PROFESSIONAL LICENSES**

BOARD APPROVED / DATE

One student-selected verified credit may be awarded for passing one certification or licensure examination when the student earns one standard unit of credit in a career and technical education concentration.

Two student-selected verified credits may be awarded for students who complete a career and technical education concentration and pass two certifications or licensure examinations. The first must be substituted for the student-selected verified credit and the second may be substituted for either a science or history and social science verified credit.

Any one certification or licensure examination identified in this document will satisfy the Standard Diploma requirement for graduation.

Students are eligible to earn diploma seals by passing one of the credentials or licensure examinations in this document as well as completing the requirements set forth in 8 VAC 20-131-50.H.3, 4.

BOARD APPROVED / DATE

One student-selected verified credit may be awarded for passing one certification or licensure examination when the student earns one standard unit of credit in a career and technical education concentration.

Two student-selected verified credits may be awarded for students who complete a career and technical education concentration and pass two certifications or licensure examinations. The first must be substituted for the student-selected verified credit and the second may be substituted for either a science or history and social science verified credit.

Any one certification or licensure examination identified in this document will satisfy the Standard Diploma requirement for graduation.

Students are eligible to earn diploma seals by passing one of the credentials or licensure examinations in this document as well as completing the requirements set forth in 8 VAC 20-131-50.H.3, 4.

AND PROFESSIONAL LICENSES**

BOARD APPROVED / DATE

One student-selected verified credit may be awarded for passing one certification or licensure examination when the student earns one standard unit of credit in a career and technical education concentration.

Two student-selected verified credits may be awarded for students who complete a career and technical education concentration and pass two certifications or licensure examinations. The first must be substituted for the student-selected verified credit and the second may be substituted for either a science or history and social science verified credit.

Any one certification or licensure examination identified in this document will satisfy the Standard Diploma requirement for graduation.

Students are eligible to earn diploma seals by passing one of the credentials or licensure examinations in this document as well as completing the requirements set forth in 8 VAC 20-131-50.H.3, 4.
