Background Information and Statutory Authority:

Section 2. Advisory Committees. Advisory committees may be created by the Board for special purposes to include, but not be limited to, federal and state-mandated committees. An advisory committee shall be composed of persons who represent the views and interests of the general public and who are known to be qualified to perform their duties. Personnel of the Department of Education may be appointed to the committee, as members or as consultants. Unless otherwise prescribed by state or federal law or regulations, all appointments to an advisory committee shall be made by the Board upon the recommendations of the Superintendent of Public Instruction...

The Board of Education's bylaws also specify the membership and term of service in Article Fifteen, Section 3 and 4, as follows:

Section 3. Membership. The Board shall determine the number of members to serve on an advisory committee, and shall appoint the members of the committee, as specified in Board bylaws under Article 9, Section 2, except as provided by state or federal law or regulation. Nominations for all vacant positions will be solicited as widely as practicable and on forms provided by the Virginia Department of Education. Members of advisory committees shall not receive compensation for their service, but may be reimbursed for travel expenses in accordance with state travel guidelines set forth by the Department of Accounts. The Board, at its discretion, may appoint a member of the Board to serve as a liaison to the advisory committee.

Section 4. Term of Service. Appointments to an advisory committee shall be for a term of three years. Members of an advisory committee may be re-appointed, with no member serving more than two consecutive three-year terms. Any vacancies shall be filled by the Board.

The Board of Education currently has five advisory committees:
Advisory Board on Teacher Education and Licensure (ABTEL)
Virginia Advisory Committee for the Education of the Gifted (VACEG)

Summary of Important Issues:

[Superintendent's Memorandum #063-16](#) dated March 25, 2016 (Attachment A), announced the call for nominations to fill the advisory committee vacancies. A second call for nominations (Attachment B - [Superintendent's Memo #118-16](#)) was announced May 13, 2016. The calls for nominations were shared with school divisions, education associations, individuals who asked to be notified of the Board's business, and within the specialty areas of each committee.

The Board's advisory committees have three-year terms. Some of the Board's advisory committees require specific categories of expertise or geographic representation pursuant to state or federal law or regulation. For all committees, the Board of Education seeks to have diverse representation among the appointees. A current roster for each advisory committee is included in Attachment C.
