Title III Statewide Consortium Adjusted Allocations

The Title III statewide consortium functions as a single entity. The Title III allocations, which are awarded to individual divisions based on EL enrollment, are combined for divisions participating in the consortium. This total is awarded to the fiscal lead, Virginia Tech. To provide an increased funding amount to participating divisions with low incidents of ELs, the funds are redistributed using a base amount on a sliding scale and a reduced per pupil expenditure (PPE). Allocations to divisions in the consortium with the largest numbers of ELs are not reduced by more than 15 percent.
