Only for students ages 6-21+

Step 1: Placement Category Determination

Does the student receive special education services in the regular building?

Yes

Use placement code: 1

Code 1: Regular Education Setting Student is served in the regular school building.

No

Use placement codes: 2 - 8

Code 2: Public Separate School
Code 3: Private Day School
Code 4: Public Residential School
Code 5: Private Residential School
Code 6: Homebound Placement
Code 7: Hospital Program
Code 8: Correctional Education Program

Step 2: Regular Class Percent

Does the student spend any time in the regular class?

Yes

If yes, compute the regular class percent calculation.

Amount of Time in the Regular Class

\[
\text{Length of the entire school day (Bell to Bell)} \times \frac{\text{percent of time in regular class}}{100}
\]

LOCATION determines this calculation; this percentage includes the total amount of time spent in the regular classroom, with or without special education support.

No

If no, report zero for the regular class percent data element.

The federal placement reporting no longer requires the percent of time in the regular class for students under age six.
