

Virginia SOL Assessment Build-A-Table

Use the Data Dictionary to find more information and definitions of the terms used in this report builder

Virginia SOL Assessment Build-A-Table User Guide

The Virginia assessment program includes Standards of Learning tests and other assessments approved by the Board of Education to measure student learning and achievement in English, mathematics, history and science. Use the menus below to create reports on student performance by division, school, student subgroup, grade level, subject area, or tests.

Note: The selection of multiple values will increase the size of reports. Please be patient while customized reports are created, especially when multiple values are selected.

Suppression Rules

Suppression Rules have been applied to protect the identity of individual students.

1. Counts with less than 10 tests are suppressed
2. **Pass Advanced Count, Pass Proficient Count, Fail Basic Count, and Fail Below Basic Count** are all suppressed if any count is less than 10
3. **Pass Rate, Pass Proficient Rate, Pass Advanced Rate, and Fail Rate** will be displayed if there are more than 10 tests in the group
