This code may apply to students with Individualized Education Programs who receive special education and related services in a public special education early childhood classroom, regular early childhood program, or in a service-provider location (e.g., therapist's office). This code may also apply to students in a private community-based program if services are funded with federal Special Education Preschool funds. This funding code is not be used if the student slot is funded by Head Start, VPI, or VPI+.
7	Title I Preschool	Select Title I Preschool as the funding source code if the student slot is fully funded with federal Title I, Part A funds, not mixed with state or other funding sources. <i>Ex. A student slot funded with VPI state funds in a classroom where the teaching assistant's salary is paid out of Title I funds would not be labeled with this funding code because the student slot is not fully funded by Title I. Instead, the slot would receive a #3 funding code as a VPI state funded slot.</i>

This funding code is typically used when a school division has been allocated state VPI funds for less than a full classroom of 18 students. <i>Ex. The division may be allocated 11 VPI funded slots. Seven students would be coded #8 in this scenario.</i>
