Your comments and recommendations will help the Office of Career and Technical Education to improve the monitoring of career and technical education programs. Please respond to the following questions:

1. To what extent did VDOE staff provide adequate instructions and guidance to conducting the self-assessment? Were your concerns or needs addressed?

2. What changes would you make to the self-assessment instrument to provide for better understanding or clarification of the requirements?

3. How useful was the self-assessment process to your school division?

4. Were there any problems/challenges in conducting the self-assessment? Describe.

5. What suggestions would you make to school divisions conducting the self-assessment next year?

6. Other suggestions or comments:
