

Virginia Priority Courses Mapped to the Microsoft IT Academy Resources

The list of Virginia courses mapped to the Microsoft IT Academy resources are as follows:

1. Computer Applications 6611
<http://www.cteresource.org/verso/courses/6611/computer-applications-tasklist>
2. Computer Information Systems 6612
<http://www.cteresource.org/verso/courses/6612/computer-information-systems-tasklist>
3. Computer Information Systems, Advanced 6613
<http://www.cteresource.org/verso/courses/6613/computer-information-systems-advanced-tasklist>
4. Computer Network Software Operations 6650
<http://www.cteresource.org/verso/courses/6650/computer-network-software-operations-tasklist>
5. Computer Network Software Operations, Advanced 6651
<http://www.cteresource.org/verso/courses/6651/computer-network-software-operations-advanced-tasklist>
6. Computer Networking Hardware Operations I 8542
<http://www.cteresource.org/verso/courses/8542/computer-networking-hardware-operations-i-tasklist>
7. Computer Networking Hardware Operations II 8543
<http://www.cteresource.org/verso/courses/8543/computer-networking-hardware-operations-ii-tasklist>
8. Computer Networking Hardware Operations III 8544
<http://www.cteresource.org/verso/courses/8544/computer-networking-hardware-operations-iii-tasklist>
9. Computer Networking Hardware Operations IV 8545
<http://www.cteresource.org/verso/courses/8545/computer-networking-hardware-operations-iv-tasklist>
10. Computer Systems Technology I 8622
<http://www.cteresource.org/verso/courses/8622/computer-systems-technology-i-tasklist>
11. Computer Systems Technology II 8623
<http://www.cteresource.org/verso/courses/8623/computer-systems-technology-ii-tasklist>

12. Database Design and Management 6660
<http://www.cteresource.org/verso/courses/6660/database-design-and-management-oracle-tasklist>
13. Design, Multimedia, and Web Technologies 6630
<http://www.cteresource.org/verso/courses/6630/design-multimedia-and-web-technologies-tasklist>
14. Design, Multimedia, and Web Technologies, Advanced 6631
<http://www.cteresource.org/verso/courses/6631/design-multimedia-and-web-technologies-advanced-tasklist>
15. Digital Input Technologies 6161
<http://www.cteresource.org/verso/courses/6161/digital-input-technologies-tasklist>
16. Graphic Imaging Technology I 8660
<http://www.cteresource.org/verso/courses/8660/graphic-imaging-technology-i-tasklist>
17. Graphic Imaging Technology II 8661
<http://www.cteresource.org/verso/courses/8661/graphic-imaging-technology-ii-tasklist>
18. Information Technology (IT) Fundamentals 6670
<http://www.cteresource.org/verso/courses/6670/information-technology-it-fundamentals-tasklist>
19. Keyboarding Applications 6152
<http://www.cteresource.org/verso/courses/6152/keyboarding-applications-tasklist>
20. Legal Systems Administration 6735
<http://www.cteresource.org/verso/courses/6735/legal-systems-administration-tasklist>
21. Medical Systems Administration 6730
<http://www.cteresource.org/verso/courses/6730/medical-systems-administration-tasklist>
22. Office Administration 6621
<http://www.cteresource.org/verso/courses/6621/office-administration-tasklist>
23. Office Specialist I 6740
<http://www.cteresource.org/verso/courses/6740/office-specialist-i-preparation-tasklist>
24. Office Specialist II 6741
<http://www.cteresource.org/verso/courses/6741/office-specialist-ii-preparation-tasklist>
25. Office Specialist III 6742
<http://www.cteresource.org/verso/courses/6742/office-specialist-iii-preparation-tasklist>
26. Programming 6640
<http://www.cteresource.org/verso/courses/6640/programming-tasklist>
27. Programming, Advanced 6641
<http://www.cteresource.org/verso/courses/6641/programming-advanced-tasklist>
28. Word Processing 6625
<http://www.cteresource.org/verso/courses/6625/word-processing-tasklist>
