Argument Resources:

TED Talk Lesson on Logic:

Logically Speaking: Truth and Fallacies

Description: In this lesson students learn about the structure of syllogistic logic and about what makes such a syllogism true or false.

TED Talk on Advertisements:
Rory Sutherland: Life lessons from an ad man
Description: As a lead in to examing ads for fallacies, Rory Sutherland's discussion is entertaining and interesting. Advertising adds value to a product by changing our perception, rather than the product itself.
Rory Sutherland makes the daring assertion that a change in perceived value can be just as satisfying as what we consider "real" value -- and his conclusion has interesting consequences for how we look at life
