

# Virtual Learning Advisory Committee

Virginia Department of Education  
Richmond, Virginia  
May 20, 2015

## AGENDA

---

**9:00**      **Welcome and Introductions**      *Dr. Billy Haun, Assistant Superintendent for Instruction*

**9:30**      **Update on Current Initiatives**

- Virtual Virginia
- Multidivision Online Providers (MOPS)
- State Broadband Pricing Project
- Digital Content
- Learn24VA

**12:00**      **Lunch (Provided)**

**1:00**      **Discussion**

1. Can Virtual Virginia be used to address critical teacher shortages in areas like mathematics?
2. How might we leverage Virtual Virginia to support on-demand, individualized learning?
3. Can Virtual Virginia be used to deliver high-quality professional development for teachers and staff?
4. How might Virtual Virginia be used to support challenging schools?
5. What possible changes can be made in the registration process to help with the elimination of waiting lists?
6. How does Virtual Virginia identify needs for developing new courses and expanding the program?

**2:45**      **Closing Comments**

**3:00**      **Adjourn**
