Algebra I Outreach

Virtual Virginia will provide interactive online lessons via Blackboard Collaborate which align to the Algebra I Standards of Learning. Rather than providing individual student instruction, this program will provide whole-class instruction to schools across the commonwealth who do not have highly-qualified math teachers.

The Instructional Model

Live, synchronous instruction

Aligned with SOL and pacing guides

**Offered 6-7 times on an A/B
schedule**

The Instructional Model

**Suggested activities/assignments
included after each lesson**

**Each lesson recorded and hosted in
eMediaVA for use as instructional
resource**
