

# Holistic Review of Technology Usage

# Item 137.H

- **The Department of Education is directed to holistically review the statewide use of technology in the classroom and all sources of digital content development, and online learning such as virtual courses and innovative blended learning language and literacy technology options. The review shall include, but not be limited to, various types of technology currently used in the classroom such as personal computers, tablets, laptops, or other hand held devices, and how any such technology are used and coordinated with the various types of digital content or on-line options that support student academic improvement. The Department of Education shall report its preliminary findings to the Chairmen of the House Appropriations and Senate Finance Committees by November 1, 2017.**

# Technology Survey

- **Hasn't been done since 2009-2010 school year**
- **Will be posted on Survey Monkey by the end of October**
- **One survey for Technology Directors and one for ITRT (or other school-based technology content)**

# Technology Survey

## Questions

- On infrastructure
- About how students use technology
- About teachers and students capabilities
- Specialized topics: virtual learning, OER
