

# Virtual Virginia High School Full-time Pilot

**June 9, 2015**

# Mission

**Virtual Virginia is a program of the Virginia Department of Education serving students in Virginia middle and high schools by providing flexible options for the diverse educational needs of students and their families. The program offers equal access to online courses for students who might not be able to take Advanced Placement, world language, core academic, and elective courses due to the lack of a highly-qualified instructor, too few students to offer the course, or scheduling conflicts within the school.**

# The VVa Model

**Partnerships with local school divisions**

**School mentors for on-site support**

**Communication and real-time instruction**

**Supplemental course program**

# Teachers

**66 Highly-qualified teachers**

**Licensed in Virginia**

**Endorsed in subject area**

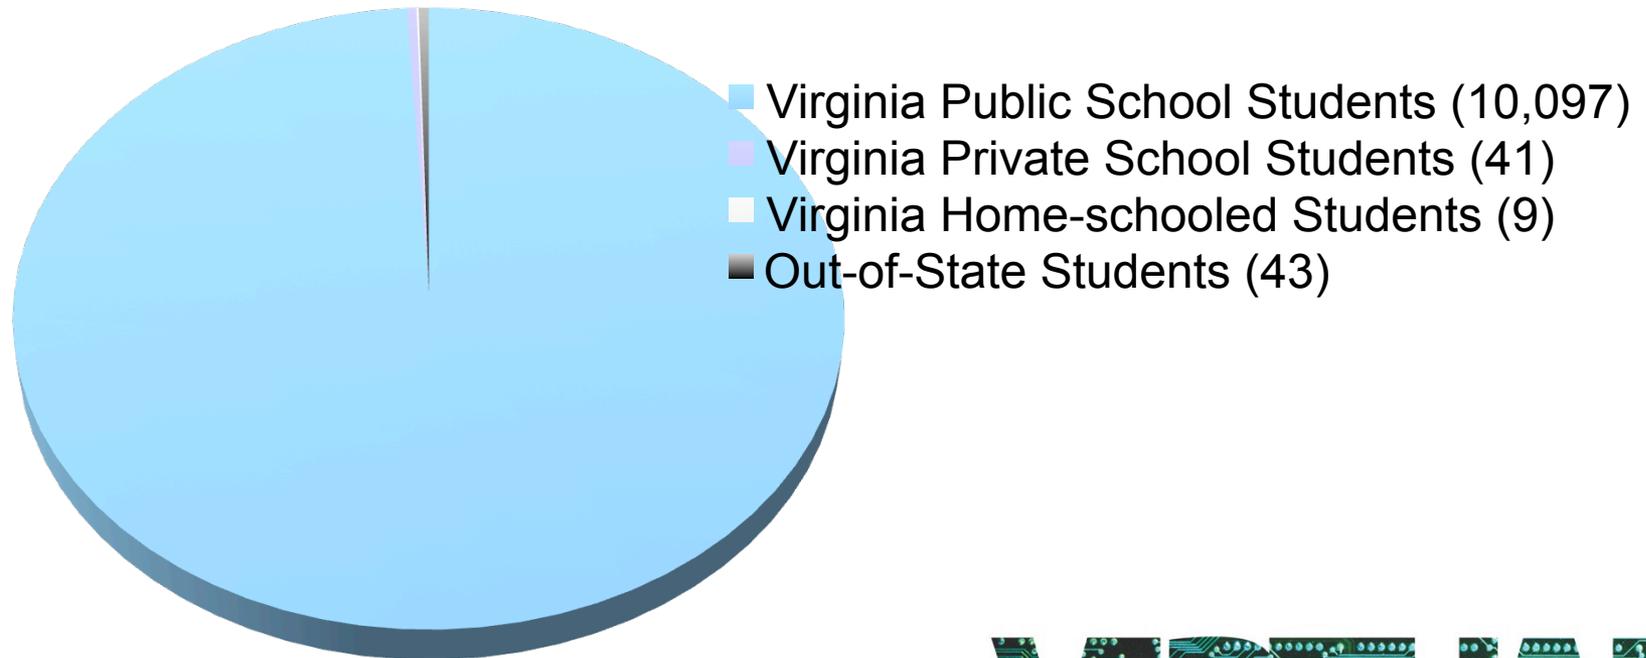

**Trained in providing online instruction**

**Average Student-teacher ratio is 109:1**
