## ***Media Advisory:*** **VDOE to Unveil New Digital Learning Resources**

Superintendent of Public Instruction Patricia I. Wright will unveil new digital-learning resources for Virginia teachers and students during a news conference and media opportunity at 10 a.m., Monday, January 13, at Pulaski Elementary in Pulaski County.

The new resources that will be announced and demonstrated include a virtual astronomy course and an online platform that students and teachers can use to create interactive digital learning content for devices and the web.

Pulaski County Superintendent Thomas Brewster and Pulaski Elementary Principal Linda Edwards will join Wright for the announcement. Following the announcement, news media representatives are invited to observe teachers and students as they try out the new course and platform.

**What:** Virginia Department of Education Digital Learning Announcement

**Where:** Pulaski Elementary School, 2004 Morehead Lane, Pulaski, VA 24301

**When:** 10 a.m., Monday, January 13, 2014
