

2013-2014

Number and Percentage of Students with Disabilities Participating in the State Reading/Language Arts Assessment

(Based on State Assessments Given in 2013-2014)

State	Number of Students with Disabilities Enrolled	Number of Students with Disabilities Participating	Percentage of Students with Disabilities Participating
VIRGINIA	86,730	86,270	99.46

Number and Percentage of Students with Disabilities Participating in the Mathematics Assessment

(Based on State Assessments Given in 2013-2014)

State	Number of Students with Disabilities Enrolled	Number of Students with Disabilities Participating	Percentage of Students with Disabilities Participating
VIRGINIA	99,942	99,050	99.10

2012-2013

Number and Percentage of Students with Disabilities Participating in the State Reading/Language Arts Assessment

(Based on State Assessments Given in 2012-2013)

State	Number of Students with Disabilities Enrolled	Number of Students with Disabilities Participating	Percentage of Students with Disabilities Participating
VIRGINIA	86,728	86,269	99.47

Number and Percentage of Students with Disabilities Participating in the Mathematics Assessment

(Based on State Assessments Given in 2012-2013)

State	Number of Students with Disabilities Enrolled	Number of Students with Disabilities Participating	Percentage of Students with Disabilities Participating
VIRGINIA	99,941	99,044	99.10

2011-2012

Number and Percentage of Students with Disabilities Participating

in the State Reading/Language Arts Assessment

(Based on State Assessments Given in 2011-2012)

State	Number of Students with Disabilities Enrolled	Number of Students with Disabilities Participating	Percentage of Students with Disabilities Participating
VIRGINIA	85,945	85,429	99.39

Number and Percentage of Students with Disabilities Participating
in the Mathematics Assessment

(Based on State Assessments Given in 2011-2012)

State	Number of Students with Disabilities Enrolled	Number of Students with Disabilities Participating	Percentage of Students with Disabilities Participating
VIRGINIA	100,044	98,984	98.94

2010-2011

Number and Percentage of Students with Disabilities Participating
in the State Reading/Language Arts Assessment

(Based on State Assessments Given in 2010-2011)

State	Number of Students with Disabilities Enrolled	Number of Students with Disabilities Participating	Percentage of Students with Disabilities Participating
VIRGINIA	85,317	84,871	99.47

Number and Percentage of Students with Disabilities Participating
in the Mathematics Assessment

(Based on State Assessments Given in 2010-2011)

State	Number of Students with Disabilities Enrolled	Number of Students with Disabilities Participating	Percentage of Students with Disabilities Participating
VIRGINIA	99,215	98,335	99.11

2009-2010

Number and Percentage of Students with Disabilities Participating
in the State Reading/Language Arts Assessment

(Based on State Assessments Given in 2009-2010)

State	Number of Students with Disabilities Enrolled	Number of Students with Disabilities Participating	Percentage of Students with Disabilities Participating
VIRGINIA	84,240	83,715	99.38

**Number and Percentage of Students with Disabilities Participating
in the Mathematics Assessment**

(Based on State Assessments Given in 2009-2010)

State	Number of Students with Disabilities Enrolled	Number of Students with Disabilities Participating	Percentage of Students with Disabilities Participating
VIRGINIA	96,423	95,669	99.22

2008-2009

**Number and Percentage of Students with Disabilities Participating
in the State Reading/Language Arts Assessment**

(Based on State Assessments Given in 2008-2009)

State	Number of Students with Disabilities Enrolled	Number of Students with Disabilities Participating	Percentage of Students with Disabilities Participating
VIRGINIA	86,207	85,554	99.24

**Number and Percentage of Students with Disabilities Participating
in the Mathematics Assessment**

(Based on State Assessments Given in 2008-2009)

State	Number of Students with Disabilities Enrolled	Number of Students with Disabilities Participating	Percentage of Students with Disabilities Participating
VIRGINIA	97,397	96,526	99.11
