ADDITIONAL INFORMATION PAGE

When requesting reimbursement, please be advised of the following:

- Only allowable costs (see EDGAR and Circular A87) can be reimbursed by the VDOE.
- Budget changes must be approved by the department prior to submitting requests for reimbursement. Online Management of Education Grant Awards (OMEGA) has an edit that prevents the submission of reimbursements that exceed available balances at the object code level.
- Automated final reimbursement requests submitted via the OMEGA system must be approved by a Level 3 Approver at the school division by the date the request is due at DOE.
- For grants still using the paper reimbursement request process, the final reimbursement request submitted via paper (hard-copy) must be signed with an authorized signature and received by the Department of Education grant manager by the date the request is due at DOE.

Available Funds Information:

- The available balance and end date for each federal grant award can be seen by selecting “Select a funding source” from the OMEGA “I want to...” list.
