

Replace Attachment 2, #4-6 in the original contract with the following:

4. Contractor will provide professional development specific to the curriculum and formative assessment system. Contractor will provide training as indicated below throughout year one and two of the Contract. During year 3 of the Contract the Virginia Department of Education (VDOE) will have the option to continue with 8 face-to-face trainings or move to the Contractor providing available online trainings at no additional charge.
 - a. Contractor will provide one day of on-site face-to-face training in eight locations, for a total of eight (8) days. Participants will include teachers, teacher's assistants, coaches, administrators, and family engagement coordinators on topics that will be determined by the divisions and VDOE. These trainings may cover both curriculum and formative assessment.
 - b. Training time shall be seven hours per session excluding a break for lunch (lunch not provided by Contractor).
 - c. Contractor will work with the eight divisions (Brunswick, Chesterfield, Giles, Norfolk, Petersburg, Richmond City, Sussex, and Winchester) who purchased *The Creative Curriculum*® and *GOLD*™ to determine the time and locations of the aforementioned trainings. Contractor will provide VA DOE with the dates/times and topics for each training by May 31, 2016. Six of the eight trainings will include fifteen to thirty-five participants. The remaining two trainings will include up to forty-five participants.

5. Contractor will provide one on-site face-to-face training for VPI+ coaches during the summer of 2016 and 2017. Training shall be for 6 hours excluding a break for lunch (not provided by contractor). Contractor will work with VDOE to determine the time and location for the training.

6. Training for and access to aggregate reports on formative assessment data (excluding data from divisions with ten or less students) at the school and division level will be provided for the VPI+ implementation team members approved by the VDOE at no charge (a maximum of twenty individuals). Training shall be coordinated with the VDOE and may be held via webinar or face-to-face trainings in Virginia (location determined by the VDOE) during Year 1 of the grant and delivered by August 1, 2016. Access to the aggregate division-level reports will be provided by April 15, 2016.
