

TAB 2 – PRICING SCHEDULE

For each assessment offered, using the scenario of 5,000 tests, the required information, a fixed cost, a price per test, and the resulting total must be provided using the table layout below. For example, in column 1, enter the attachment number for the assessment for which you are indicating a price. The first number listed in column 1 will be “3,” as attachment numbers 1 and 2 are not related to the specific assessments being offered. No other pricing schedule will be accepted.
