Notes on column headings and data:

< indicates a group below the state definition for personally identifiable results.

Only student subgroups represented in the state are listed.

Long-Term Absence represents students who were on long-term medical leave, emergency family leave, and students who were expelled for one-year. These students have not earned a credential and were not enrolled at the time of this report.

Students with disabilities and students who are limited English proficient who were still enrolled in school were moved into next year's cohort, consistent with the formula approved by the Virginia Board of Education.

Most subgroups are based on students' most recent status.

"Anytime" subgroups include all students identified as part of the subgroup at least once since entering high school.
