¹ The Average Daily Membership (ADM) calculated at the end of the school year of pupils in attendance in the local school division.

² Positions paid from state, local and federal funds.

³ Combined divisions: Alleghany County includes Clifton Forge, Bedford County includes Bedford City, Fairfax County includes Fairfax City, Greensville County includes Emporia City, and Williamsburg includes James City County.

NOTE: Table 17 represents the number of instructional positions per 1,000 students in end-of-year average daily membership. The table contains data for principals and assistant principals, teachers, teacher aides, guidance counselors, librarians, and district-wide instructors based upon positions reported in school divisions' Annual School Reports. District-wide positions include Summer School, Adult Education, Preschool, and other non-regular day and non-LEA instructional positions. The statewide figures represent the sum of all school division positions while the statewide positions per 1,000 students represent the number of positions for every 1,000 students using statewide ADM and positions.
