¹Standard 1 G of the July 1, 1998 Standards of Quality states in part that licensed instructional personnel shall be assigned by each school board in a manner that produces division-wide ratios of students in average daily membership to full-time equivalent teaching positions, excluding special education teachers, principals, assistant principals, counselors, and librarians, that are not greater than the following ratios: 25 to 1 in grade KG; 24 to 1 in grade 1; 25 to 1 in grades 2-6; and 25 to 1 in English classes in grades 6-12.

²Pupil/teacher ratios for grades K-6 and grade 1 may vary from prior years because of adjustments in membership counts that include special education pupils and FTE teacher counts obtained from the 2002 Teacher Count data collection.

³Effective July 1, 2001, Alleghany Highlands no longer operates as a school division; data is reported as Alleghany County.

⁴Bedford County data include Bedford City.

⁵Fairfax County data include Fairfax City.

⁶Greensville County data include Emporia City.

⁷Lexington City secondary teaching positions are adjusted to reflect a ratio for grade 8 only.

⁸Williamsburg City data include James City County.

⁹Pupil/teacher ratios for elementary and secondary may vary because of the reporting of teaching positions for middle school grades 6 - 8.

Revised 6/18/2005
