¹ Positions paid from local, state, and federal funds.

² The Average Daily Membership (ADM) calculated at the end of the school year of pupils served in the school division. ADM is not reported separately for Governor's Schools, Regional Special Education Programs, Regional Career and Technical Education Programs, or Regional Alternative Education Programs.

³ The Technology Instructors positions only include instructional positions and not instructional support positions. Technology instructional support positions are shown in Table 18.

⁴ Does not include any substitute positions.

⁵ The students from these school divisions are served by another school division. James City County students are served by the Williamsburg School Division, Fairfax City students are served by the Fairfax County School Division, Emporia City students are served by the Greensville County School Division, and Bedford City students are served by the Bedford County School Division.

NOTE: Table 17 shows the total number of instructional positions and the number of instructional positions per 1,000 students in end-of-year ADM. The table contains data for principals and assistant principals, teachers, technology instructors, teacher aides, guidance counselors, librarians, and district-wide instructors based on positions reported in school divisions' Annual School Reports. District-wide positions include Summer School, Adult Education, Preschool, and other non-regular day and non-LEA instructional positions. The state totals shown above represent the sum of all school division and regional program positions, while the statewide positions per 1,000 students (in the school division subtotal) represent the number of positions for every 1,000 students using statewide ADM and positions for school divisions only.
