School Nutrition Programs

From: Lynne A. Fellin, Acting Director
School Nutrition Programs 

Date: September 7, 2007

SUBJECT: Journey 2007 – Handouts Posted to the School Nutrition Program Web Site

The Journey 2007 Summer Managers Workshops, *Serving Healthy Students the RIGHT Way*, were a great success. Thanks to all who participated and all who made the arrangements. Participating school nutrition managers and directors were very interested in using the many tools provided and customizing them for their school.

The handouts used during the workshop have been updated to reflect the 2007-2008 federal reimbursement rates and have been posted to the School Nutrition Programs Web page. The handouts from Journey 2007 are now available for download as a Word or Excel document.

The handouts are posted to the Workshops/Professional Development link on the SNP Web page. http://www.vdoe.vi.virginia.gov/instruction_ss/nutrition/training/index.shtml

When you open the link, you will need to scroll down to **Manager's Workshops – On the Journey to Quality Management Practices for School Nutrition Managers**. At the end of that paragraph there is a blue hyperlink - Journey 2007 Handouts. Click on that hyperlink and a list of the workshop handouts will appear. Clicking on any of the hyperlinks in the list will allow you to either download or save a particular handout.

Please forward this link to the school nutrition managers in your school division or download and save the appropriate documents and forward them directly to the managers.

If you have questions or need assistance please contact the school nutrition program specialist assigned to your region or me at (804) 225-2074.
