LEA ID, as reported on the FNS-742, for the LEA entered in column 2. All LEAs included in the "LEA wide Notification Report" should be listed in this column.	Enter the LEA name, as reported on the FNS-742, for the school in column 4. All LEAs included in the "LEA wide Notification Report" should be listed in this column.	Enter the school ID for the school in column 4.	Enter the school name for all schools in all LEAs with at least one CEP-eligible school. All schools in the LEAs provided in the "LEA wide Notification Report" tab should be listed.	Enter the school-level ISP as of April 1, 2016. ISP = # of identified students divided by total enrollment. Enter the ISP as a percentage rounded to two decimals. Ex: 62.50% DO NOT INCLUDE THE 1.6 MULTIPLIER An ISP greater than 100.00% will result in an error and the cells will be highlighted red until corrected.	If the actual ISP is unavailable, enter the proxy ISP, as of April 1, 2016. Proxy ISP = # of directly certified students with SNAP divided by total enrollment. Refer to column 5 for additional instructions. If using column 5 for the ISP, leave this column blank. Entering the ISP in both columns 5 and 6 will result in an error response.	An "X" will appear in this column if the school in column 4 is eligible to participate in CEP. (ISP in column 5 or 6 is >=40%)	An "X" will appear in this column if the school in column 4 is nearly eligible to participate in CEP. (ISP in column 5 or 6 is >=30% and <40%)	Place an "X" in this column if the school in column 4 is currently participating in CEP. Note: The "X" is not case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	Place an "I" in this column if the school in column 4 is currently participating in CEP as an individual site. Note: The "I" is not case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	Place a "G" in this column if the school in column 4 is currently participating in CEP as part of a group of schools. Mark this column using G1, G2, G3, etc. to distinguish between CEP groupings, if applicable. Note: The "G" is not case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	Place a "D" in this column if the school in column 4 is currently participating in CEP as part of a district-wide adoption of CEP. Use column 11 for any school in an LEA that is participating in CEP in all schools but are participating as part of a group of schools. Note: The "D" is not case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	Place an "X" in this column if the school in column 4 is currently in the 4th year of the participation and is eligible for a Grace Year. (ISP >=30% and <40%). Note: The "X" is not case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	If the school in column 4 is currently participating in CEP, eligible or near-eligible to participate (there is an "X" in column 7, 8 or 9), enter the total # of students enrolled at the school (denominator of ISP). A yellow cell in this column indicates missing enrollment data. Enter the school-level total enrollment to clear the cell color.

LEA ID, as reported on the FNS-742, for the LEA entered in column 2. All LEAs included in the tab "LEA wide Notification Report" should be listed in this column.	Enter the LEA name, as reported on the FNS-742, for the school in column 4. All LEAs included in the tab "LEA wide Notification Report" should be listed in this column.	Enter the school ID for the school in column 4.	Enter the school name for all schools in all LEAs with at least one CEP-eligible school. All schools in the LEAs provided in the "LEA wide Notification Report" tab should be listed.	Enter the school-level ISP as of April 1, 2016. ISP = # of identified students divided by total enrollment. Enter the ISP as a percentage rounded to two decimal. Ex: 62.50% DO NOT INCLUDE THE 1.6 MULTIPLIER An ISP greater than 100.00% will result in an error and the cells will be highlighted red until corrected.	If the actual ISP is unavailable, enter the proxy ISP, as of April 1, 2016. Proxy ISP = # of directly certified students with SNAP divided by total enrollment. Refer to column 5 for additional instructions. If using column 5 for the ISP, leave this column blank. Entering the ISP in both columns 5 and 6 will result in an error response.	An "X" will appear in this column if the school in column 4 is eligible to participate in CEP. (ISP in column 5 or 6 is >=40%)	An "X" will appear in this column if the school in column 4 is nearly eligible to participate in CEP. (ISP in column 5 or 6 is >=30% and <40%)	Place an "X" in this column if the school in column 4 is currently participating in CEP. Note: The "X" is <u>not</u> case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	Place an "I" in this column if the school in column 4 is currently participating in CEP as an individual site. Note: The "I" is <u>not</u> case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	Place a "G" in this column if the school in column 4 is currently participating in CEP as part of a group of schools. Mark this column using G1, G2, G3, etc. to distinguish between CEP groupings, if applicable. Note: The "G" is <u>not</u> case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	Place a "D" in this column if the school in column 4 is currently participating in CEP as part of a district-wide adoption of CEP. Use column 11 for any school in an LEA that is participating in CEP in all schools but are participating as part of a group of schools. Note: The "D" is <u>not</u> case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	Place an "X" in this column if the school in column 4 is currently in the 4th year of the participation and is eligible for a Grace Year. (ISP >=30% and <40%). Note: The "X" is <u>not</u> case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	If the school in column 4 is currently participating in CEP, eligible or near-eligible to participate (there is an "X" in column 7, 8 or 9), enter the total # of students enrolled at the school (denominator of ISP). A yellow cell in this column indicates missing enrollment data. Enter the school-level total enrollment to clear the cell color.

2016-2017 School Sites Eligible or Near Eligible

				FOR THE ISP, ONLY USE COLUMN 5 OR 6		COLUMNS 7 & 8 AUTOMATICALLY POPULATE (Only One Column Should Be Marked per School)		FOR PARTICIPATING CEP SCHOOLS ONLY (Only Mark One)					FOR NEAR-ELIGIBLE, ELIGIBLE, AND PARTICIPATING CEP SCHOOLS ONLY
1	2	3	4	5	6	7	8	9	10	11	12	13	14
LEA ID	LEA Name	School ID	School Name	Identified Student Percentage (ISP)	Proxy Identified Student Percentage (ISP)	Eligible to Participate	Near Eligible to Participate	Currently Participating	Participating as an Individual Site	Participating as part of a Group of Schools	Participating as Part of an Entire District	Participating in Year 4 and Eligible for a Grace Year	Student Enrollment in Near-Eligible, Eligible, and Participating CEP Schools
LEA ID, as reported on the FNS-742, for the LEA entered in column 2. All LEAs included in the tab "LEA wide Notification Report" should be listed in this column.	Enter the LEA name, as reported on the FNS-742, for the school in column 4. All LEAs included in the tab "LEA wide Notification Report" should be listed in this column.	Enter the school ID for the school in column 4.	Enter the school name for all schools in all LEAs with at least one CEP-eligible school. All schools in the LEAs provided in the "LEA wide Notification Report" tab should be listed.	Enter the school-level ISP as of April 1, 2016. ISP = # of identified students divided by total enrollment. Enter the ISP as a percentage rounded to two decimal. Ex: 62.50% DO NOT INCLUDE THE 1.6 MULTIPLIER An ISP greater than 100.00% will result in an error and the cells will be highlighted red until corrected.	If the actual ISP is unavailable, enter the proxy ISP, as of April 1, 2016. Proxy ISP = # of directly certified students with SNAP divided by total enrollment. Refer to column 5 for additional instructions. If using column 5 for the ISP, leave this column blank. Entering the ISP in both columns 5 and 6 will result in an error response.	An "X" will appear in this column if the school in column 4 is eligible to participate in CEP. (ISP in column 5 or 6 is >=40%)	An "X" will appear in this column if the school in column 4 is nearly eligible to participate in CEP. (ISP in column 5 or 6 is >=30% and <40%)	Place an "X" in this column if the school in column 4 is currently participating in CEP. Note: The "X" is <u>not</u> case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	Place an "T" in this column if the school in column 4 is currently participating in CEP as an individual site. Note: The "T" is <u>not</u> case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	Place a "G" in this column if the school in column 4 is currently participating in CEP as part of a group of schools. Mark this column using G1, G2, G3, etc. to distinguish between CEP groupings, if applicable. Note: The "G" is <u>not</u> case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	Place a "D" in this column if the school in column 4 is currently participating in CEP as part of a district-wide adoption of CEP. Use column 11 for any school in an LEA that is participating in CEP in all schools but are participating as part of a group of schools. Note: The "D" is <u>not</u> case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	Place an "X" in this column if the school in column 4 is currently in the 4th year of the participation and is eligible for a Grace Year. (ISP >=30% and <40%). Note: The "X" is <u>not</u> case sensitive. Using any other letter or icon will result in an error and the cells will be highlighted red until corrected.	If the school in column 4 is currently participating in CEP, eligible or near-eligible to participate (there is an "X" in column 7, 8 or 9), enter the total # of students enrolled at the school (denominator of ISP). A yellow cell in this column indicates missing enrollment data. Enter the school-level total enrollment to clear the cell color.
