Military Student Journals

Dear Parent or Guardian of _____

You have recently signed permission for your child to participate in Small Group Counseling for Military Deployment at Sparrow Road Intermediate School.

To help us in our group, we are going to create a "SPECIAL PERSON" Scrapbook about the person who is deployed. Each student will get to keep this when the group is over.

I am asking you to help get your child started with this Project by supplying him/her with the following information and returning it as soon as possible:

1. Family member(s) deployed _____
2. Name and rank (if known) _____
3. Service (i.e., Navy) _____
4. Active Duty or Reserves? _____
5. Duty Assignment (i.e. Truman) _____
6. When deployed or to be deployed _____

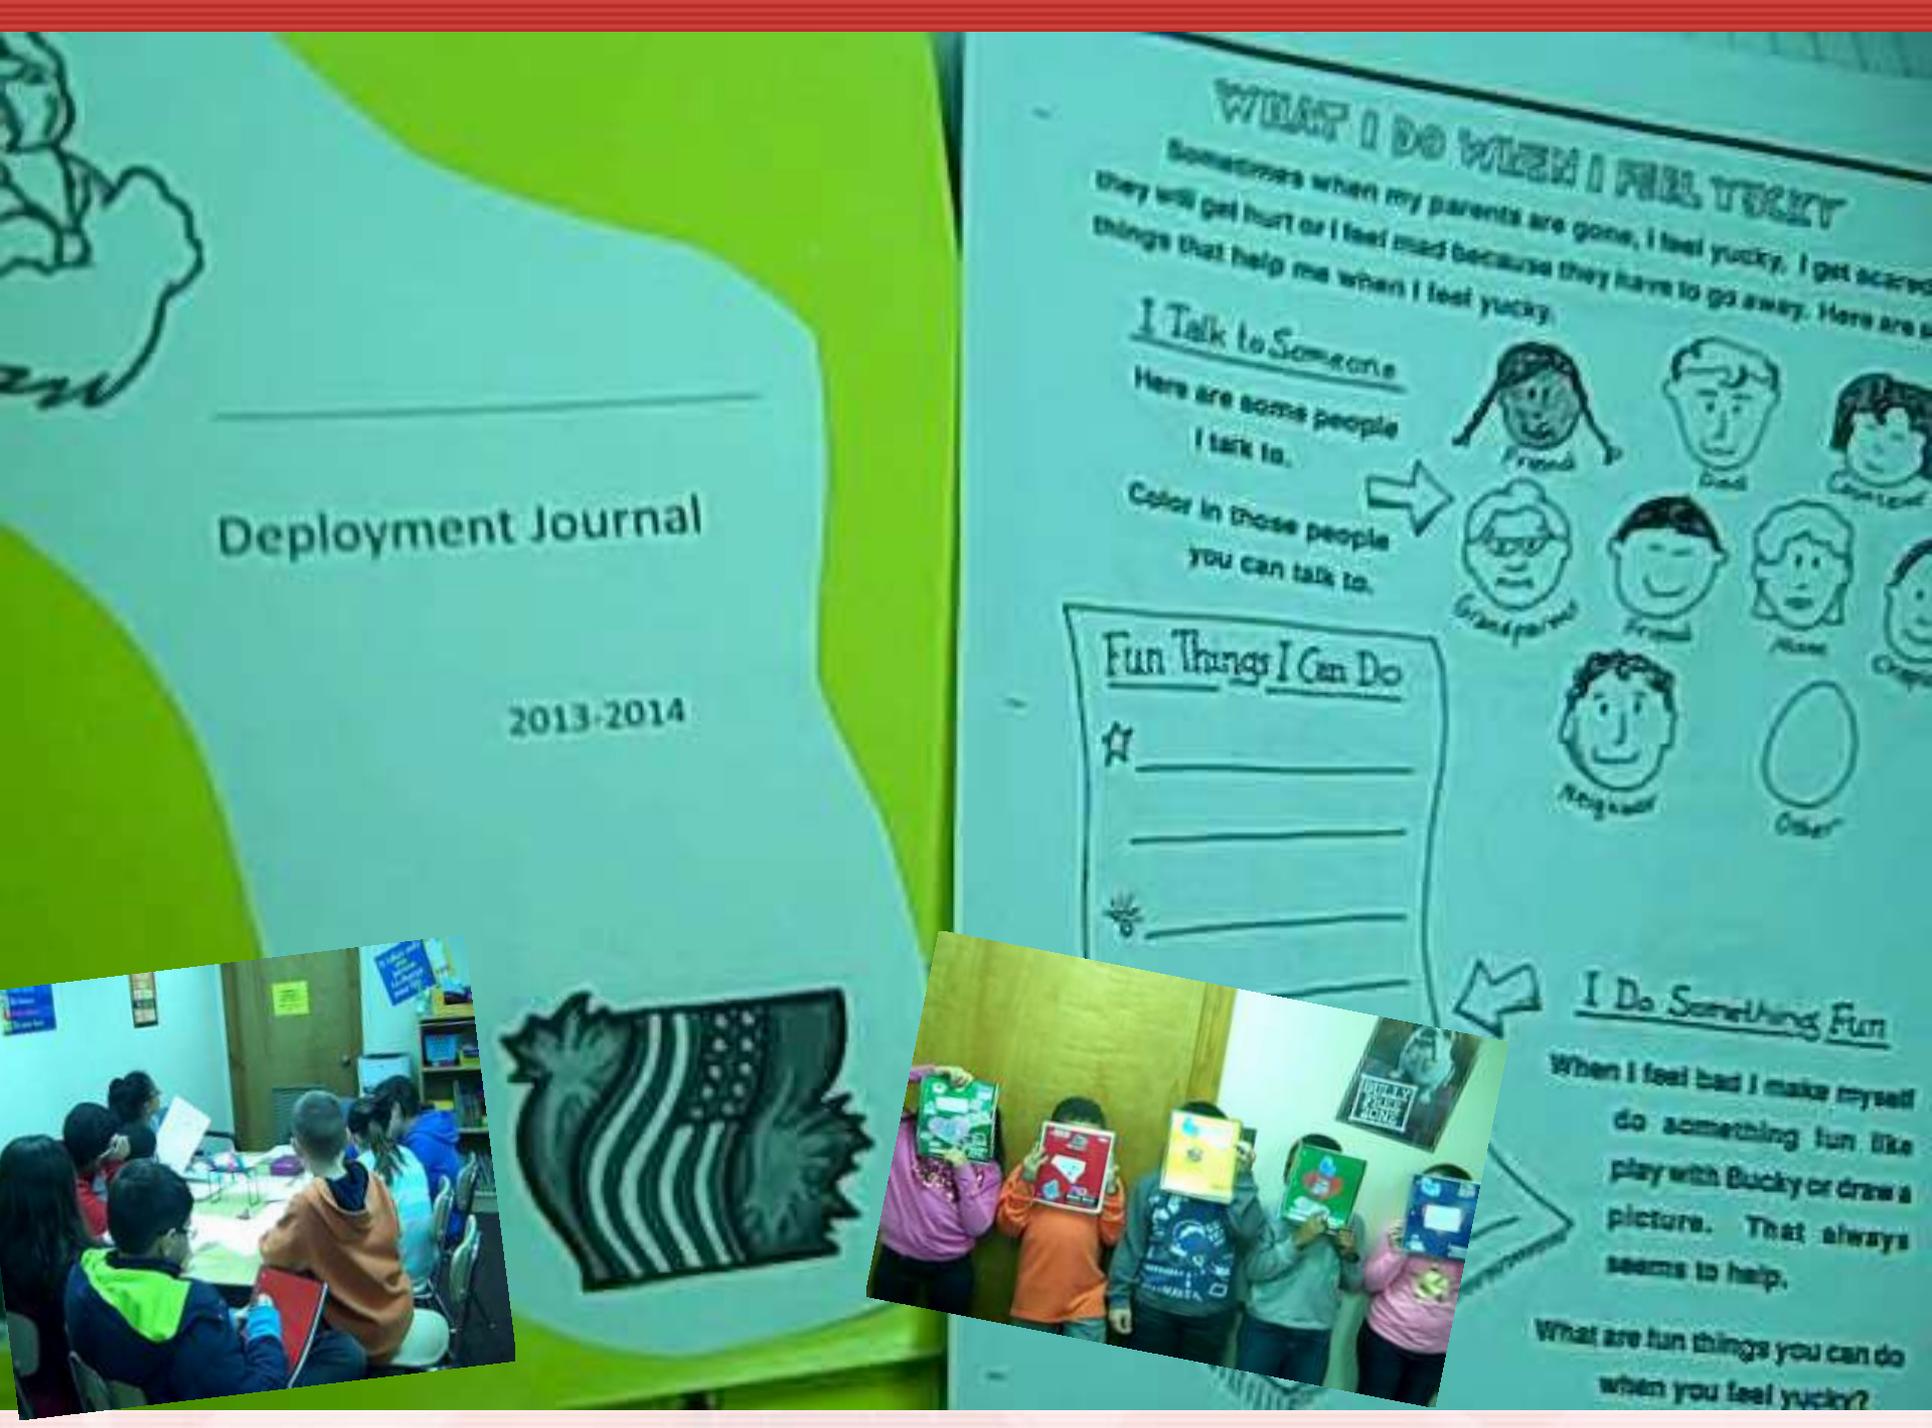

A photograph of this person to include in their Scrapbook would be an "extra special" touch. This information will help me help your child.

If you have any questions, please do not hesitate to call me at 578-7050.

Thank you.

Sincerely,

Miss L. P. Donaldson
School Counselor

I Do Something Fun

When I feel bad I make myself do something fun like play with Bucky or draw a picture. That always seems to help.

What are fun things you can do when you feel yucky?
