

K-12 Student Devices

Recommended Common Core compliant tablets

HP ElitePad 900

The HP ElitePad 900 with Windows 8 Pro takes your studies to the next level. Designed for the mobile student, it's light in weight, yet powerful and sturdy with a multi-touch Gorilla™ Glass display so you can do school work, from anywhere, at any time.

Tools you need

Access everything you need from collaboration, productivity, and learning tools to messages and calendars, with the touch of a finger.

Study your way

Look your best, whether doing a presentation or collaborating with classmates, with true-to-life video meetings using the 1080p front camera.

Go all day

Stay on top of school work while on the go with the performance you expect packaged in a slim and compact profile that won't slow you down.

Stay connected

Connect to the web at blazingly fast speeds with embedded Wi-Fi and 3G capability, or T-Mobile 4G offer.

Additional Features:

- Expansion battery jacket
- Docking station for VGA, HDMI, USBs, charger
- Wired or wireless keyboard
- Mouse

Weight	1.5 lbs.	Hard Drive	64 GB
Battery	8 hours	Processor	Intel®
Thickness	.35"		Atom™
Screen	10"		Z2760
Memory	2 GB	Multiple contract options On MLTI/NASPO	

The Lenovo ThinkPad Tablet 2 with Windows 8 Pro makes it easy to keep up with schoolwork and collaborate with classmates with great natural note-taking capabilities and 10 hours of battery life.

Cut the cord

Take your learning mobile with the ultra-thin tablet that weighs only 1.25 lbs.

Use your creativity

Play media and even create some of your own, with the built-in MicroSD card slot, 8 MP HD camera and noise-cancelling microphones.

Unplug and go

Study and work on school projects in the classroom or on campus with full-sized USB and mini-HDMI ports to stay connected.

Do more with extras

Easily create content with the optional Bluetooth keyboard, or use the digitizer pen like a pen and paper.

Additional Features:

- Wired or wireless keyboard
- Docking station for LAN, HDMI, USBs, charger
- Digitizer pen and VGA adaptor
- Mouse

Weight	1.25 lbs.	Hard Drive	64 GB SSD

Dell Latitude 10 Tablet

K-12 Student Devices

Recommended Common Core compliant notebooks

HP ProBook 4440S

The HP ProBook 4440S Notebook with Windows 8 touch is your study buddy offering the performance, multi-media tool, and security you need in a durable aluminum case.

Classroom to home Tackle large projects, collaborate with classmates, and learn at home or on-the-go with a powerful, fast processor and large 500 GB hard drive.

Stylish protection outside Take anywhere with thin, lightweight design with brushed aluminum HP DuraFinish, spill resistant keyboard, and HP 3D DriveGuard.

HP protection inside Worry less with robust security features, including HP ProtectTools, HP Face Recognition, and optional HP Fingerprint Sensor.

Homework to entertainment Create a video, burn CDs/DVDs or watch a movie with SRS Premium Sound, whether connected wirelessly, or using USB 3.0, 2.0 HDMI or Ethernet.

Additional Features:

- Wired or wireless keyboard
- HDMI, VGA, 2 USBs, LAN
- HP Fingerprint Sensor

Weight	4.56 lbs.	Hard Drive	500 GB
Battery	7 hours	Processor	Intel® Core™ i5
Thickness	1.1"		
Screen	14"	Multiple contract options On MLTI/NASPO	
Memory	4 GB		

Dell Latitude 3330

The Dell Latitude 3330 with Windows 8 provides the productivity tools you need to do your school projects, coupled with the connectivity and battery life to work virtually anywhere.

Collaborate with ease Partner with classmates and easily access distance learning with display that cuts down on glare, along with built-in HD webcam and microphone.

Wireless all day Maximize the time you spend on school work and note-taking with swappable battery options and up to 10 hours of battery life.

Learning to assessments Take your tests online with wireless LAN and mobile broadband options that meet all guidelines for Common Core and other online assessments.

Highly mobile Place in your backpack and go with thin and light, but sturdy design, large storage capacity, VGA, full size HDMI, and two USB3.0 ports.

Additional Features:

- USB docking station for HDMI, USBs, LAN
- Wired or wireless keyboard
- External mouse

Weight	3.43 lbs.	Hard Drive	128 GB SSD
Battery	10 hours	Processor	Intel® Celeron Core™ i3 or i5
